

JASON E. MUMPOWER
Comptroller

September 13, 2021

MEMORANDUM

TO: County Mayors/County Executives
FROM: Jason E. Mumpower, Comptroller of the Treasury
SUBJECT: Local Redistricting and Reapportionment

A handwritten signature in blue ink, appearing to read "J.E. Mumpower", is written over the "FROM:" line of the memorandum.

September marks the start of the redistricting process across Tennessee. By now, someone has contacted your county to determine the level of assistance needed in this process. You also should have recently received our publication, *A Guide to Local Government Redistricting in Tennessee*. Additionally, on our [website](#), you can find the following documents and forms to assist in the redistricting process:

- Sample Resolution - To Establish a Redistricting Committee
- Sample Resolution - To Adopt a Reapportionment/Redistricting Plan
- Sample Resolution - To Remove Prison Population

Please remember that redistricting must be complete by **January 1, 2022**. To assist in this process, you have, or will be receiving, the following from our Office or CTAS:

- 3 large format maps showing current commission districts, voting precincts, and the 2020 population and demographic data
- 10 small format maps showing the deviations for each district in your county

The Comptroller's Office has produced a digital [dashboard](#) showing the 2020 total population, ideal population, deviation, and percent deviation per district in every county.

Assistance with redistricting will be available from CTAS, our Office, or someone within your county government. You can verify your level of assistance by using our interactive [dashboard](#) and selecting your county to the left. The Technical POC should be the person you previously identified to assist your county in redistricting. As always, if you have any questions, please feel free to contact Matthew Hill at 615.401.7828.
