INDEPENDENT ACCOUNTANTS' AUDIT REPORT

Board of Directors
Roane County Emergency Communications District
Rockwood, Tennessee

We have audited the accompanying statement of net assets of Roane County Emergency Communications District, a component unit of Roane County, Tennessee, as of June 30, 2008, and the related statement of revenue, expenses and changes in net assets and statement of cash flows for the year then ended. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Roane County Emergency Communications District as of June 30, 2008, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management's discussion and analysis is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation. However, we did not audit this information and express no opinion thereon.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying financial information listed as supplementary information in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and we express no opinion on it.

In accordance with *Government Auditing Standards*, we have also issued a report dated December 29, 2008 on our consideration of Roane County Emergency Communications District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and other matters and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our discussion and analysis of the Roane County Emergency Communications District's (the District) financial performance provides an overview of the District's activities for the year ended June 30, 2008. Please read it in conjunction with the District's financial statements, as listed in the Table of Contents.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Revenues, Expenses, and Changes in Net Assets provide information about the District as a whole and present a long-term view of the District's finances.

**THE STATEMENT OF NET ASSETS AND THE STATEMENT OF REVENUE, EXPENSES
AND CHANGES IN NET ASSETS**

One of the most important questions asked about the District's finances is "Is the District better off or worse off as a result of this year's activities?" The Statement of Net Assets and the Statement of Revenue, Expenses and Changes in Net Assets report information about the District and about its activities that help answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account, regardless of when cash is received or paid.

These two statements report the District's net assets and changes in them. You can think of the District's net assets – the difference between assets and liabilities – as one way to measure the District's financial health or financial position. Over time, increases or decreases in the District's net assets are one indicator of whether its financial health is improving or deteriorating.

FINANCIAL HIGHLIGHTS

The operations of the Roane County Emergency Communications District (a component unit of Roane County, Tennessee) are primarily funded as follows:

Telephone and Wireless companies "911" fees
Interest income

Total operational costs for the District were \$1,023,113 for the fiscal year ended June 30, 2008.

NET ASSETS

The analysis below focuses on the net assets and changes in net assets of the District:

	<u>2008</u>	<u>2007</u>
NET ASSETS		
Current and other assets	\$ 644,273	\$ 569,605
Capital assets	<u>659,401</u>	<u>696,824</u>
Total assets	<u>\$ 1,303,674</u>	<u>\$ 1,266,429</u>
Current liabilities	\$ 11,851	\$ 20,259
Net assets:		
Invested in capital assets	659,401	696,824
Unrestricted	<u>632,422</u>	<u>549,346</u>
	<u>1,291,823</u>	<u>1,246,170</u>
Total net assets	<u>\$ 1,303,674</u>	<u>\$ 1,266,429</u>
CHANGES IN NET ASSETS		
Operating revenue	\$ 1,039,336	\$ 1,000,146
Operating expenses	<u>1,023,113</u>	<u>838,258</u>
Operating income	16,223	161,888
Non-operating income	<u>29,429</u>	<u>29,953</u>
Change in net assets	45,652	191,841
Beginning net assets	<u>1,246,171</u>	<u>1,054,329</u>
Ending net assets	<u>\$ 1,291,823</u>	<u>\$ 1,246,170</u>

Net assets of the District increased by 4% during 2008 and 18% during 2007. Unrestricted net assets, the portion of the net assets that can be used to finance day-to-day operations, increased by \$83,076 or 15% for 2008 and decreased by \$21,109 or 4% for 2007.

FINANCIAL RATIOS

The ratios of Working Capital and Days Cash demonstrate the continuing ability to finance operations with cash. The stability of the current ratio and the liabilities to net assets ratio demonstrate that the District has not financed its working capital and days cash with an increased proportion of debt. The following is a related schedule of ratios:

	<u>2008</u>	<u>2007</u>
Working Capital (the amount by which current assets exceed current liabilities)	\$ 627,346	\$ 544,596
Days Cash and Investments (represents the number of days' normal operations could continue with no revenue collections)	200 days	213 days
Return on Assets – illustrates to what extent there will be sufficient funds to replace assets in the future	4%	16%

CAPITAL ASSETS

At the fiscal year end of June 30, 2008, the District had \$1,185,427 invested in capital assets as outlined below (a \$76,746 or 7% increase over the last year).

	<u>2008</u>	<u>2007</u>
Land	\$ 30,056	\$ 30,056
Communications equipment	627,325	496,721
Furniture and fixtures	102,017	0
Vehicle	22,188	22,188
Leasehold improvements	403,842	378,082
Prepayment on mobile unit	<u>0</u>	<u>181,634</u>
	1,185,427	1,108,681
Less accumulated depreciation	<u>(526,026)</u>	<u>(411,857)</u>
	<u>\$ 659,401</u>	<u>\$ 696,824</u>

DEBT

At the fiscal year end, the District had no outstanding bonds payable, notes payable or lease obligations outstanding. During the next year, the District does not plan substantial additions to the District's capital assets, which will require the issuance of debt.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens with a general view of the District's finances and to show the District's accountability to the money it receives. If you have any questions about this report or need additional financial information, please contact Mike Hooks, Director of Roane County Emergency Communications District, 330 Cardiff Valley Road, Rockwood, TN 37854.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2008

NOTE A - DESCRIPTION OF ORGANIZATION

The Roane County Emergency Communications District (the District) was established January 1, 1991, pursuant to the provisions of Chapter 867 of the Public Acts of 1984 of the State of Tennessee. The District is responsible for the installation and maintenance of the emergency communications network of Roane County, Tennessee (Enhanced 911 Service).

The District is considered a component unit of Roane County, Tennessee because the Roane County Board of Commissioners appoints all of the District's Board of Directors and must approve any debt issued by the District.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The District uses the accrual basis of accounting. Revenue is recognized when earned and measurable, and expenses are recognized when the liability is incurred. The District follows all pronouncements of the Governmental Accounting Standards Board (GASB) and pronouncements of the Financial Accounting Standards Board (FASB) issued on or before November 30, 1989. The District has not elected to follow FASB pronouncements issued after November 30, 1989.

The District's resources are classified for accounting and reporting purposes into the following three net asset groups:

Invested in capital assets: This category includes capital assets, net of accumulated depreciation. Invested in capital assets at June 30, 2008 has been calculated as follows:

Capital assets	\$ 1,185,427
Accumulated depreciation	<u>(526,026)</u>
	<u>\$ 659,401</u>

Restricted: Net assets whose use is subject to externally imposed stipulations that can be fulfilled by actions of the District pursuant to those stipulations or that expire by the passage of time. The District had no restricted net assets as of June 30, 2008.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

Unrestricted: This category includes net assets that are not subject to externally imposed stipulations and that do not meet the definition of “restricted” or “invested in capital assets”. Unrestricted net assets may be designated for specific purposes by action of management or the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

Accounts Receivable

Accounts receivable which are deemed uncollectible based upon a periodic review of the accounts are charged to revenue. At June 30, 2008, no allowance for uncollectible accounts was considered necessary.

Property and Equipment

Property and equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives, which range from five to twenty-five years.

Operating Budget

The District is required by state law to adopt an annual operating budget. The budget is prepared on the accrual basis of accounting. All appropriations lapse at the end of the year.

Compensated Absences

The District's full-time employees are granted vacation leave in varying amounts. In the event of termination, the employee is paid for any unused vacation leave. Unused vacation leave as of June 30, 2008 in the amount of \$11,803 is included as a liability in the statement of net assets.

NOTE C - RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial insurance for all risks of loss, including general liability and workers' compensation coverage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

NOTE D – PROPERTY AND EQUIPMENT

Property and equipment activity for the year ended June 30, 2008, was as follows:

	<u>Balance</u> <u>7/1/07</u>	<u>Additions</u>	<u>Retirements</u>	<u>Balance</u> <u>6/30/08</u>
<u>Capital assets not being depreciated</u>				
Land	\$ 30,056	\$ 0	\$ 0	\$ 30,056

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

NOTE E - CASH ON DEPOSIT

Cash and the certificate of deposit are stated at cost. These balances were entirely insured through the Federal Deposit Insurance Corporation or through the State of Tennessee Bank Collateral Pool. The District considers all highly liquid investments with an original maturity date of three months or less when purchased to be cash equivalents.

The State of Tennessee authorizes the District to invest in obligations of the United States or its agencies, non-convertible debt securities of certain federal agencies, other obligations guaranteed as to principal and interest by the United States or any of its agencies, secured certificates of deposit and other evidences of deposit in state and federal banks and savings and loan associations, and the state treasurer's investment pool.

The pool contains investments in certificates of deposit, U.S. Treasury securities and repurchase agreements, backed by the U.S. Treasury securities. The Treasurer of the State of Tennessee administers the investment pool. Although the District may participate in the state investment pool, it elects not to. District policy dictates that collateral meet certain requirements, such as, be deposited in an institution which participates in the state collateral pool or be deposited in an escrow account in another institution for the benefit of the District and must be a minimum of 105% of the value of the deposits placed in the institution less the amount protected by federal deposit insurance.

The state collateral pool is administered by the State of Tennessee. Members of the pool may be required by agreement to pay an assessment to cover any deficiency. Under this additional agreement, public fund accounts covered by the pool are considered to be classified as category one insured credit risk in accordance with GASB Statement No. 3, *Deposits with Financial Institutions, Investments (including Repurchase Agreements) and Reverse Repurchase Agreements*.

NOTE F – RETIREMENT

Plan Description

Employees of the District are members of the Political Subdivision Pension Plan (PSPP), an agent multiple-employer defined benefit pension plan administered by the Tennessee Consolidated Retirement System (TCRS). TCRS provides retirement benefits as well as death and disability benefits. Benefits are determined by a formula using the member's high five-year average salary and years of service. Members become eligible to retire at the age of 60 with 5 years of service or at any age with 30 years of service. A reduced retirement benefit is available to vested members at the age of 55.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

Disability benefits are available to active members with five years of service who become disabled and cannot engage in gainful employment. There is no service requirement for a disability that is the result of an accident or injury occurring while the member was in the performance of his duties.

Members joining the system after July 1, 1979 become vested after 5 years of service and members joining prior to July 1, 1979 were vested after 4 years of service. Benefit provisions are established in the state statute found in Title 8, Chapter 34-37 of the Tennessee Code Annotated (TCA). State statutes are amended by the Tennessee General Assembly. Political subdivisions such as the City participate in the TCRS as individual entities and are liable for all costs associated with the operation and administration of the plan. Benefit improvements are not applicable to a political subdivision unless approved by the chief governing body.

The TCRS issues a publicly available financial report that includes financial statements and required supplementary information for the PSPP. That report may be obtained by writing to Tennessee Treasury Department, Consolidated Retirement System, 10th Floor Andrew Jackson Building, Nashville, TN 37243-0230 or can be accessed at <http://treasury.state.tn.us/tcrs/PS/>.

Funding Policy

The District requires employees to contribute 5.0 % of earnable compensation.

The District is required to contribute at an actuarially determined rate; the rate for the fiscal year ended June 30, 2008 was 5.73% of annual covered payroll. The contribution requirement of plan members is set by state statute. The contribution requirement for the District is established and may be amended by the TCRS Board of Trustees.

Annual Pension Cost

For the year ended June 30, 2008, the District's annual pension cost of \$31,934 to TCRS was equal to the District's required and actual contributions. The required contribution was determined as part of the July 1, 2005 actuarial valuation using the frozen entry age actuarial cost method. Significant actuarial assumptions used in the valuation include (a) rate of return on investment of present and future assets of 7.5% a year compounded annually, (b) projected salary increases of 4.75% (graded) annual rate (no explicit assumption is made regarding the portion attributable to the effects of inflation on salaries), (c) projected 3.5% annual increase in the Social Security wage base, and (d) projected post retirement increases of 3.0% annually.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

The actuarial value of assets was determined using techniques that smooth the effect of short-term volatility in the market value of total investments over a five-year period. The District's unfunded actuarial accrued liability is being amortized as a level dollar amount on a closed basis. The remaining amortization period at July 1, 2005 was 19 years. An actuarial valuation was performed as of July 1, 2007, which established contribution rates effective July 1, 2008.

Trend Information

<u>Year Ended</u>	<u>Annual Pension Cost(APC)</u>	<u>Percentage of APC Contribution</u>	<u>Net Pension Obligation</u>
6/30/08	\$ 31,934	100.00%	\$ 0
6/30/07	27,317	100.00	0
6/30/06	20,908	100.00	0

Funded Status and Funding Progress

As of July 1, 2007, the most recent actuarial valuation date, the plan was 75.73% funded. The actuarial accrued liability for benefits was \$520,000, and the actuarial value of assets was \$390,000, resulting in an unfunded actuarial accrued liability (UAAL) of \$130,000. The covered payroll (annual payroll of active employees covered by the plan) was \$520,000, and the ratio of the UAAL to the covered payroll was 24.25%.

The schedules of funding progress, presented as required supplementary information (RSI) following the notes to the financial statements, present multiyear trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the AALs for benefits.

The annual required contribution (ARC) was calculated using the aggregate actuarial cost method. Since the aggregate actuarial cost method does not identify or separately amortize unfunded actuarial liabilities, information about funded status and funding progress has been prepared using the entry age actuarial cost method for that purpose, and this information is intended to serve as a surrogate for the funded status and funding progress of the plan.

ROANE COUNTY EMERGENCY
COMMUNICATIONS DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

(continued)

June 30, 2008

Actuarial valuation date	<u>7/1/07</u>
Actuarial value of plan assets	\$ 392,000
Actuarial accrued liability (AAL)	518,000
Unfunded AAL (UAAL)	126,000
Funded ratio	75.73%
Covered payroll	518,000
UAAL as a percentage of covered payroll	24.25%

INTERNAL CONTROL

AND

COMPLIANCE

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Roane County Emergency Communications District
Rockwood, Tennessee

We have audited the financial statements of Roane County Emergency Communications District, a component unit of Roane County, Tennessee, as of and for the year ended June 30, 2008, and have issued our report thereon dated December 29, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Roane County Emergency Communications District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Roane County Emergency Communications District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Roane County Emergency Communications District's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.

A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Roane County Emergency Communications District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit; accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we have reported to the management of Roane County Emergency Communications District in a separate letter dated December 29, 2008.

This report is intended solely for the information and use of management and government regulatory agencies and is not intended to be and should not be used by anyone other than these specified parties.

Mitchell Emert & Hill
