Independent Auditors' Report

Board of Directors
Hardin County Convention and Visitors Bureau
Savannah, Tennessee

We have audited the accompanying financial statements of the governmental activities and the governmental fund of Hardin County Convention and Visitors Bureau (HCCVB), a component unit of Hardin County, Tennessee, as of and for the year ended June 30, 2009, which collectively comprise HCCVB's basic financial statements as listed in the table of contents. These financial statements are the responsibility of HCCVB's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the governmental fund of HCCVB as of June 30, 2009, and the respective changes in financial position thereof and the budgetary comparison for the general fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 11, 2010, on our consideration of the HCCVB's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The management's discussion and analysis on pages 4 through 6 is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise HCCVB's basic financial statements. The introductory section and the supplemental information are presented for purposes of additional analysis and are not a required part of the basic financial statements. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED JUNE 30, 2009

Our discussion and analysis of Hardin County Convention and Visitors Bureau (HCCVB) financial performance will offer readers of HCCVB's financial statements a narrative overview and review of the financial activities of HCCVB for the fiscal year ended June 30, 2009. Readers are encouraged to consider the information presented here in conjunction with HCCVB's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Revenues, Expenses and Changes in Net Assets (on pages 7 through 8) provide information about the activities of HCCVB's finances.

Notes to the Financial Statements – The notes provide additional information that is essential to a full understanding of the data provided in HCCVB's financial statements. The notes to the financial statements can be found on pages 10 - 15.

Other Information – In addition to the basic financial statements and accompanying notes, this report also presents supplementary information. This other supplemental information can be found on page 16 of this report.

Net assets - beginning of year	<u>70,952</u>	<u>73,925</u>
Net assets - end of year	<u>\$ 107,609</u>	<u>\$ 70,952</u>

HCCVB had a profit in the current year in comparison to a loss in the prior year. This difference is mainly due to HCCVB's increase of River Resort funding in the current year.

General Fund Budgetary Highlights

HCCVB did not amend the budget in the current year.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of June 2009, HCCVB had \$3,343 invested in assets. However, all depreciable assets are fully depreciated. There were no current year additions or disposals. Additional information on capital assets is in Note 2.

Debt

At year-end, HCCVB had no debt.

ECONOMIC FACTORS AND NEXT YEAR'S ESTIMATES AND RATES

HCCVB is dependent on contributions by Hardin County, Tennessee for hotel/motel tax.

A budget is prepared before each fiscal year. Next year the budget shows total revenues and expenses of \$218,080.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2009

NOTE 1 - GENERAL

GASB Conformity

Hardin County Convention Visitors Bureau (HCCVB) complies with generally accepted accounting principles (GAAP). GAAP includes all relevant Governmental Accounting Standards Board (GASB) pronouncements. In the government-wide financial statements, Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails. GASB Statement Nos. 20 and 34 provide HCCVB the option of electing to apply FASB pronouncements issued after November 30, 1989. HCCVB has elected not to apply those pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

Fund Accounting

HCCVB is a nonprofit organization located in Savannah, Tennessee. Its purpose is to promote the tourism aspect of Hardin County, Tennessee. HCCVB is a component unit of Hardin County since (1) the majority of board members are appointed by the County Commission and (2) it receives a significant portion of its funding from Hardin County. Accordingly, this financial data is incorporated into the County's financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Measurement Focus

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements.

On the government-wide Statement of Net Assets and the Statement of Activities, governmental activities are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net assets, financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported.

In the fund financial statements, the "current financial resources" measurement focus is used. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial

HARDIN COUNTY CONVENTION AND VISITORS BUREAU
(a component unit of Hardin County, Tennessee)
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2009

resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

Basis of Accounting

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

In the government-wide Statement of Net Assets and Statement of Activities, governmental activities are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

When both restricted and unrestricted resources are available for use, it is HCCVB's policy to use restricted resources first, then unrestricted resources as they are needed.

In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when "measurable and available." Measurable means knowing or being able to reasonably estimate that amount. Available means collectible within the current period or within sixty days after year end. Expenditures are recorded when the related fund liability is incurred.

Capital assets

Capital assets are reported at cost (except for donated property which is reported at fair value as of the date of donation) and includes improvements that significantly add to utility or extend useful lives. Costs for maintenance and repairs are charged to expense. When depreciable assets are disposed of, the cost and related accumulated depreciation are removed from the accounts, and any gain or loss is included in earnings for the period. Depreciation is computed using the straight-line method to allocate the cost of furniture and equipment over an estimated useful life of five years.

Cash

Cash, as used in the statement of cash flows, consists of cash on hand.

Prepays

Prepaid expenses reported on the Statement of Net Assets relates to firework show expenses paid in the current year to Pyro Shows for the firework event in the next fiscal year.

Equity Classifications

Equity is classified as net assets and displayed in three components:

- a. Invested in capital assets—Consists of capital assets including restricted capital assets, net of accumulated depreciation
- b. Restricted net assets—Consists of net assets with constraints placed on the use either by (1) external groups, such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation
- c. Unrestricted net assets—All other net assets that do not meet the definition of “restricted” or “invested in capital assets”

NOTE 3 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

By its nature as a local government component unit, HCCVB is subject to various federal, state, and local laws and contractual regulations. An analysis of HCCVB's compliance with significant laws and regulations and demonstration of its stewardship over its resources follows.

HARDIN COUNTY CONVENTION AND VISITORS BUREAU
(a component unit of Hardin County, Tennessee)
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2009

Deposits and Investments - Laws and regulations

In accordance with state law, all uninsured deposits of county funds in financial institutions must be secured with acceptable collateral valued at the lower of market or par. Acceptable collateral includes certain U.S. Government or Government Agency securities, certain State of Tennessee or political subdivision debt obligations, or surety bonds. As required by 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to HCCVB must have a written collateral agreement approved by the board of directors or loan committee. HCCVB has no policy regarding custodial credit risk for deposits.

HCCVB's investment policies are governed by State statute. Permissible investments include direct obligations of the U.S. Government and agency securities, certificates of deposit and savings accounts. Collateral is required for demand deposits, certificates of deposits and repurchase agreements at 105% of all amounts not covered by federal deposit insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its subdivisions. HCCVB has no policy that further limits allowable investments.

Deficit Fund Balance

The State of Tennessee discourages the creation of a deficit fund balance in any individual fund. HCCVB's general fund had a positive fund balance at year end.

Budget Appropriations

Tennessee statutes prohibit expenses in excess of budget appropriations. HCCVB did not comply with this statute since expenses exceeded budget appropriations for the year.

NOTE 4 - ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

JUNE 30, 2009

NOTE 5 - TAX EXEMPTION

HCCVB has a determination letter from the Internal Revenue Service stating that it is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

NOTE 6 - CONCENTRATIONS OF CREDIT RISK

HCCVB receives approximately 89% of operating revenues from hotel and motel sales tax collections by Hardin County, Tennessee.

NOTE 7 - DONATED SERVICES

Accounting services were provided at no charge to HCCVB by a local accounting firm. An estimated fair value of \$3,600 for services rendered is reflected in the statement of revenues, expenses, and changes in net assets as both revenue and an expense.

NOTE 8 - RELATED PARTIES

HCCVB is represented on the board of directors of Team Hardin County, Inc. (THC), another nonprofit organization that is involved in the promotion of Hardin County. THC pays expenses incurred by HCCVB and hotel/motel tax receipts are received by THC to offset those expenses. During the year, cash receipts exceeded payments by \$1,251. At year end, THC owed HCCVB \$72,643.

At year end, THC – NAIA, another related-party nonprofit, owed HCCVB \$24,167 due to HCCVB paying NAIA expenses during the year.

NOTE 9 – RETIREMENT PLAN

HCCVB is a participant in a non-contributory defined contribution money purchase pension plan, which covers all full-time employees. HCCVB's contribution rate is 5% of base compensation. The total retirement plan expense for the year was \$3,577.

NOTE 10 – EXPLANATION OF DIFFERENCES BETWEEN GOVERNMENTAL FUND OPERATING STATEMENT AND THE STATEMENT OF ACTIVITIES

The “change in fund balance” for the governmental fund (-\$6,510) differs from the “change in net assets” for governmental activities (\$7,490) reported in the Statement of Activities. This difference of \$14,000 arises from the long-term economic resources focus of the Statement of Activities versus the current financial resources focus of the governmental funds.

NOTE 11 – RISK MANAGEMENT

It is the policy of HCCVB to purchase commercial insurance for the risks of losses to which it is exposed. These risks include general liability and theft. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Hardin County Convention and Visitors Bureau
Savannah, Tennessee

We have audited the financial statements of Hardin County Convention and Visitors Bureau (HCCVB), a component unit of Hardin County, Tennessee, as of and for the year ended June 30, 2009, and have issued our report thereon dated January 11, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered HCCVB's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HCCVB's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of HCCVB's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects HCCVB's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of HCCVB's financial statements that is more than inconsequential will not be prevented or detected by HCCVB's internal control. We consider the deficiency described below to be a significant deficiency in internal control over financial reporting.

2009-01 FINANCIAL STATEMENTS MATERIALLY MISSTATED

The financial statements were materially misstated because (1) deferred revenue, prepaid expenses, and accounts payable were not adjusted at year-end and (2) related-party transactions were misclassified.

RECOMMENDATION: Personnel should properly record all financial transactions as they occur. Infrequent transactions should be properly classified to present financials in accordance with generally accepted accounting principles.

MANAGEMENT'S RESPONSE: Board will make necessary recommendations to correct.

2009-02 SEPARATE CHECKING ACCOUNT NOT MAINTAINED

HCCVB's revenues are deposited into and expenses paid out of the Team Hardin County checking account along with other related-party organizations' transactions. Instances were noted in which expenses were paid by HCCVB that belonged to related organizations. Also, since one checking account is used for multiple organizations, an unauthorized loan has essentially been made by HCCVB to SIDC.

RECOMMENDATION: Separate checking accounts for each organization should be maintained.

MANAGEMENT'S RESPONSE: Board will make necessary recommendations to correct.

2009-03 DISBURSEMENTS LACKED PROPER SUPPORT

There were numerous instances where invoices or other supporting documentation were not present for disbursements made throughout the year. Also, several disbursements were supported by statements instead of invoices; some disbursements were supported by fictitious invoices created by HCCVB personnel.

RECOMMENDATION: Invoices or other properly supporting documentation should be obtained, attached to a check to be signed, and then retained with the organization's records. Properly supporting documentation should be required for a check to be issued.

MANAGEMENT'S RESPONSE: One invoice that was allegedly created as fictitious was created internally for rent and attached to the original check copy due to the lack of invoice provided by the county. No invoice was necessary due to the lease agreement between the county and Team Hardin County. This will be corrected in the next fiscal year 2009-2010.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by HCCVB's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, we believe that significant deficiencies 2009-01 and 2009-03 described above are material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HCCVB's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed the following instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

2009-04 EXPENDITURES EXCEEDED APPROPRIATIONS

Expenditures exceeded appropriations. The *Tennessee Code Annotated* Section 5-12-110 states, "The appropriations made in the appropriation resolution, or any amendment thereto, shall constitute the limit to expenditures...for the fiscal year covered by the resolution, and no expenditure shall be made or obligation created in excess of such limitation."

RECOMMENDATION: Expend funds only within guidelines of the official budget. When unexpected expenses occur, amend the budget to reflect those changes.

MANAGEMENT'S RESPONSE: Board will make necessary recommendations to correct.

DISPOSITION OF PRIOR AUDIT FINDINGS

2008-01 Stamped signature on checks—Corrected.

HCCVB's response to the findings identified in our audit is described above. We did not audit HCCVB's response and, accordingly, we express no opinion on it.

To the Board of Directors
Hardin County Convention and Visitors Bureau
Savannah, Tennessee

We have audited the financial statements of Hardin County Convention and Visitors Bureau (HCCVB) for the year ended June 30, 2009, and have issued our report thereon dated January 11, 2010. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility under Generally Accepted Standards

As stated in our engagement contract, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U. S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit in accordance with provisions specified in the engagement letter that was dated July 1, 2009.

Significant Audit Findings

a. Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by HCCVB are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

b. Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. Failure to post prior years' adjusting entries as well as related-entity misclassifications resulted in material misstatements.

Disagreements with Management

For the purpose of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of the audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated January 11, 2010.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to HCCVB's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the HCCVB's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the board of directors and management of HCCVB and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

William, Jenold, Godwin & Nulish, PLLC
