To the Board of Directors of the
Putnam County Parks, Recreation and Conservation Board
Cookeville, Tennessee

I have audited the accompanying government-wide financial statements and the major governmental fund financial statements of the Putnam County Parks, Recreation, and Conservation Board, (a special revenue fund of Putnam County, Tennessee) as of and for the year ended June 30, 2010, as listed in the table of contents. These financial statements are the responsibility of the Putnam County Park, Recreation, and Conservation Board's management. My responsibility is to express opinions on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinions.

As discussed in Note 2, the financial statements present only the government-wide and governmental special revenue activities of the Putnam County Parks, Recreation, and Conservation Board and do not purport to, and do not, present fairly the financial position of Putnam County, Tennessee, as of June 30, 2010, the changes in its financial position, or, where applicable, its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the government-wide and the major governmental fund of the Putnam County Parks, Recreation, and Conservation Board (a special revenue fund of Putnam County, Tennessee) as of June 30, 2010, and the changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. However, management has chosen to exclude this information.

The Schedule of Statement of Revenues, Expenditures and Changes in Fund Balance-Budget and Actual is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, I did not audit the information and express no opinion on it.

The Schedule of Insurance and Schedule of Board of Directors are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, I express no opinion on them.

In accordance with *Government Auditing Standards*, I have also issued my report dated January 25, 2011 on my consideration of the Putnam County Parks, Recreation, and Conservation Board's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and the results of that testing and not to provide an opinion on financial reporting or on compliance. That report is an integral part of the audit performed in accordance with *Government Auditing Standards* and should be considered in conjunction with this report in considering the results of my audit.

PUTNAM COUNTY PARKS, RECREATION AND CONSERVATION BOARD
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2010

Note 1 – Organization

The Putnam County Parks, Recreation and Conservation Board (“the Board”) was created pursuant to the County Conservation Board Act, Public Acts, 1961, to “have custody, control and management of all real and personal property for public parks, preserves, parkways, playgrounds, recreation centers, county forest, county wildlife areas, and other county conservation and recreation purposes”. The Putnam County Parks, Recreation and Conservation Board’s primary activities are the oversight and maintenance of parks and community centers as well as coordinating recreational activities within Putnam County. The Putnam County Parks, Recreation and Conservation Board is managed by a director operating under a five member Board of Directors appointed by the Putnam County Commission. The Putnam County Commission has the authority to approve or reject budgets presented by the Putnam County Parks, Recreation and Conservation Board. Based on the Putnam County Parks, Recreation and Conservation Board’s financial dependency and accountability to Putnam County, the Putnam County Parks, Recreation and Conservation Board is a separately reported fund of Putnam County, Tennessee. There were no component units of the Putnam County Parks, Recreation and Conservation Board to consider for inclusion in the financial statements.

Note 2 – Summary of Significant Accounting Policies

The Putnam County Parks, Recreation and Conservation Board is a special revenue fund of the Putnam County Government. The financial statements of the Putnam County Parks, Recreation and Conservation Board have been prepared on the modified accrual basis of accounting, which records expenditures when incurred, and revenues when measurable and available to finance expenditures of the period. The Parks, Recreation and Conservation Board’s records are maintained on the cash receipts and disbursements method and converted to the modified accrual basis at year-end. Under the modified accrual method, the measurement focus is on expenditures, which are measurable and are recorded when the related liability is incurred. The financial statements present only the government-wide and governmental special revenue activities of the Putnam County Parks, Recreation and Conservation Board and do not purport to, and do not, present fairly the financial position of Putnam County, Tennessee. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Government-wide Financial Statements

The Government-wide financial statements include the Statement of Net Assets and the Statement of Activities. These statements report the governmental activities of the Putnam County Parks, Recreation and Conservation Board. The governmental activities are reported on the economic resources measurement focus on the accrual basis of accounting for inclusion into the financial statements of Putnam County Government.

Fund Financial Statements

To ensure observance of limitations and restrictions placed on the use of resources available to the Parks, Recreation and Conservation Board, the accounts of the Putnam County Parks, Recreation and Conservation Board are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. All of Putnam County Parks, Recreation and Conservation Board financial activities and resources is accounted for in a single governmental account which is the general fund. The fund financial statements report using current financial resources measurement focus and the modified accrual basis of accounting. When both restricted and unrestricted resources are available for use, it is the Park, Recreation and Conservation Board's policy to use restricted resources first, then unrestricted resources as needed.

Note 3 – Pension Plans

The Putnam County Parks, Recreation and Conservation Board, as a fund of Putnam County, participated in the Tennessee Consolidated Retirement System. The TCRS provides retirement benefits as well as death and disability benefits. Aggregate actuarial information can be found in the Comprehensive Annual Financial Report of Putnam County, Tennessee; copies of which are available through the County Executive office. The TCRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the Tennessee Treasury Department, Consolidated Retirement System, 10th Floor Andrew Jackson Building, Nashville, TN 37243-0230 or by calling (615) 741-7063.

Note 4 – Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits with original maturities of three months or less with local financial institutions.

The following is a schedule of bank accounts at June 30, 2010:

Checking – Operating Account	\$ 47,929.44
Checking – Payroll Account	3,286.87
Checking – Soccer Account	<u>1,181.34</u>
Total	<u>\$ 52,397.65</u>

At June 30, 2010, the carrying amount of the Putnam County Parks, Recreation and Conservation Board's cash deposits was \$52,397.65. The Board's deposit accounts are covered up to \$250,000 by the Federal Deposit Insurance Corporation and this amount was not exceeded during the year. The Board is authorized to deposit and invest funds according to the provisions of Section 5-8-301 of the Tennessee Code Annotated. [Acts 1992, ch. 891, sct 10].

Note 5 – Prepaid Expenses

Prepaid expenses include payments to vendors that benefit the future reporting periods and are reported on the consumption basis.

Note 6 – Concentration of Credit Risk

The Putnam County Parks, Recreation and Conservation Board receives a substantial amount of its support from Putnam County. A significant reduction in the level of this support, if this were to occur, may have an effect on the Putnam County Parks, Recreation and Conservation Board's programs and activities.

Note 7 – Compensated Absences

Annual leave and retirement sick leave are accrued as a liability as the benefits are earned if the employee's rights to receive compensation are attributable to service already rendered and it is probable that the employer will compensate the employees for the benefits through paid time off or some other means. The amount shown as compensated absence payable in current liabilities in the Statement of Net Assets represents the amount owed to employees for annual leave as of June 30, 2010 and is also the leave expected to be taken within one year. Retirement sick leave accrued at June 30, 2010 is presented as a long-term liability since it will not be taken within one year.

Note 8 – Capital Assets

The following table provides a summary of changes in capital assets:

	Balance 6/30/09	Additions	Disposals	Balance 6/30/10
Assets				
Improvements	\$ 187,811.92	\$ 69,000.00	\$ ---	\$ 256,811.92

Total	<u>\$ 595,832.71</u>	<u>\$ 80,891.10</u>	<u>\$ ---</u>	<u>\$ 676,723.81</u>

The following table provides a summary of changes in accumulated depreciation:

	Balance 6/30/09	Depreciation Expense	Disposals	Balance 6/30/10
Assets				
Improvements	\$ 23,567.34	\$ 19,356.19	\$ ---	\$ 42,923.53
Equipment	111,084.38	16,489.03	---	127,573.41
Park Fixtures	17,004.49	5,559.85	---	22,564.34
Vehicles	54,840.35	10,372.32	---	65,212.67
Office Equipment	<u>13,171.86</u>	<u>854.39</u>	<u>---</u>	<u>14,026.25</u>
Total	<u>\$ 219,668.42</u>	<u>\$ 52,631.78</u>	<u>\$ ---</u>	<u>\$ 272,300.20</u>

Note 9 – Capital Assets and Depreciation

General capital assets are reported in the government-wide Statement of Net Assets but are not reported in the financial statements of the general fund. Land, buildings and infrastructure type assets are not reflected on the financial statements of the Board as these assets are included in the financial statements of Putnam County. The valuation basis for general capital assets is at historical cost. The capitalization threshold is any individual item with a total cost greater than \$3,500.

Depreciation of capital assets is computed and recorded by the straight-line method. Estimated useful lives of the various classes of depreciable capital assets are as follows: improvements, 10 years; office equipment, 5 years; fixtures, 5-7 years; vehicles, 5-10 years and other general equipment, 10 years.

Note 10 – Risk Financing and Related Insurance Issues

The Putnam County Parks, Recreation and Conservation Board, as a fund of Putnam County, provides health insurance coverage to their employees through Blue Cross/Blue Shield.

The Putnam County Parks, Recreation and Conservation Board's risks of loss relating to property, general liability, and workers' compensation are covered by the county through a self-insurance program and by the purchase of commercial insurance to cover losses in excess of certain limits.

Note 11 – Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from these estimates.

Additional information can be found in the Comprehensive Annual Financial Report of Putnam County, Tennessee, copies of which are available through the County Executive office.

Note 12 – Putnam County Contributions

Putnam County provides liability, building and automobile coverage as well as employee dishonesty bond coverage for the Board. Office space is also provided by Putnam County, as well as lease revenues from County-owned property. The value of the insurance and office space provided are not reflected as revenues in the accompanying financial statements. Lease revenues are reflected as annual rentals revenues in the accompanying financial statements.

Note 13 – Commitments and Contingencies

Approximately 85% of the Board's support is received from Putnam County. A significant reduction in the level of this support, if this were to occur, may have an effect on the Board's programs and activities.

NOTE A - Budgeting, Budgetary Control, and Budgetary Reporting

An annual budget using the same basis of accounting used for governmental fund financial statement presentation is prepared and adopted each year. The budget for the year ended June 30, 2010 was approved by the board and the Putnam County Commission before the fiscal year began. Additional expenditures which alter the total budgeted expenditures must be approved by the Board of Trustees and adopted through an amended budget. Revenues are considered to be available for unrestricted use unless specifically restricted by the donor or grantor, thus the Board of Trustees may reapply budgeted resources from one use to another without special approval for unrestricted funds.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of the
Putnam County Parks, Recreation and Conservation Board
Cookeville, Tennessee

I have audited the financial statements of The Putnam County Parks, Recreation and Conservation Board, a joint venture of the City of Cookeville and Putnam County, as of and for the year ended June 30, 2010, and have issued my report thereon dated January 25, 2011. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing my audit, I considered The Putnam County Parks, Recreation and Conservation Board's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing my opinion on the effectiveness of The Putnam County Parks, Recreation and Conservation Board's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of The Putnam County Parks, Recreation and Conservation Board's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, as discussed below, I identified a certain deficiency in internal control over financial reporting, described in the accompanying schedule of findings and recommendations as item 10-1 that I consider to be significant deficiencies in internal control over financial reporting. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Putnam County Parks, Recreation and Conservation Board's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and recommendations as item 10-1.

The Putnam County Parks, Recreation and Conservation Board's response to the findings identified in our audit is described in the accompanying schedule of findings and recommendations. I did not audit the District's response and, accordingly, I express no opinion on it.

This report is intended for the information of the management and the State of Tennessee Comptroller of the Treasury and is not intended to be and should not be used by anyone other than these specified parties. However, this restriction is not intended to limit the distribution of this report, which is a matter of public record.

**PUTNAM COUNTY PARKS, RECREATION AND CONSERVATION BOARD
AUDIT FINDINGS AND RECOMMENDATIONS
JUNE 30, 2010**

Finding 10-1

A lack of segregation of duties was noted.

Recommendation

The functions of custody, authorization and recording must be segregated. This requires separate employees to receive and deposit cash, write checks, and reconcile the bank statement at the end of the month.

Management Comment

We believe the cost of employing additional personnel would exceed the benefits to be derived from doing so. However, the Board of Directors maintains oversight of all functions.

Auditor's Note:

Due to the small size and lack of personnel, total segregation of duties is not feasible. However, the Putnam County Parks, Recreation and Conservation Board segregates the duties to the extent possible.
