INDEPENDENT AUDITORS' REPORT

Board of Directors  
East Tennessee Regional Agribusiness Marketing Authority  
White Pine, Tennessee

We have audited the accompanying basic financial statements of East Tennessee Regional Agribusiness Marketing Authority as of and for the year ended June 30, 2011 as listed in the table of contents. These financial statements are the responsibility of the management of East Tennessee Regional Agribusiness Marketing Authority. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of East Tennessee Regional Agribusiness Marketing Authority as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 9, 2012 on our consideration of East Tennessee Regional Agribusiness Marketing Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of East Tennessee Regional Agribusiness Marketing Authority. The other information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

**EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
MANAGEMENT’S DISCUSSION AND ANALYSIS (Unaudited)  
Year Ended June 30, 2011**

**MANAGEMENT’S DISCUSSION AND ANALYSIS**

Our discussion and analysis of East Tennessee Regional Agribusiness Marketing Authority’s (the “Authority”) financial performance provides an overview of the Authority’s financial activities for the fiscal year ended June 30, 2011. Please read it in conjunction with the Authority’s financial statements, which begin on page 7.

**FINANCIAL HIGHLIGHTS OF THE AUTHORITY**

- East Tennessee Regional Agribusiness Marketing Authority’s net assets increased by \$32,980 for the fiscal year ended June 30, 2011.
- During the fiscal year ended June 30, 2011, the Authority had operating expenses that were \$2,966 more than the \$127,437 generated in operating revenues.
- The Authority’s operating revenues increased by 9.69% for the fiscal year ended June 30, 2011, and its operating expenses increased by 5.29%.

**USING THESE ANNUAL FINANCIAL STATEMENTS**

East Tennessee Regional Agribusiness Marketing Authority is a public and governmental entity acting as an agent for the following counties: Claiborne, Cocke, Grainger, Greene, Hamblen, Hancock, Hawkins, Jefferson, Johnson, Sullivan, Unicoi, and Washington.

The Authority is an enterprise fund, operating much like a private-sector company and is considered a business-type activity. The Authority receives commissions from sales of agricultural products and rental income from various leases.

This annual report of the East Tennessee Regional Agribusiness Marketing Authority consists of a series of financial statements. The Statement of Net Assets, the Statement of Revenues and Expenses and Changes in Net Assets, and the Statement of Cash Flows (on pages 7-9) provide information about the Authority’s operations. These statements include all assets and liabilities of the Authority using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the Authority’s revenues and expenses for the year ended June 30, 2011 have been taken into account regardless of when cash was received or paid.

The Statement of Net Assets and the Statement of Revenues and Expenses and Changes in Net Assets report the Authority’s net assets and changes in them. The term “net assets” is the difference between assets and liabilities as of a certain point in time. The financial health, or *financial position*, of the Authority can be measured, in part by the amount of its net assets. Over time, increases or decreases in the Authority’s net assets are one indicator of whether its financial health is improving or deteriorating. Of course, there are other non-financial factors in assessing the overall health of the Authority, such as providing a market for the farmers of the region to sell their products, and providing buyers a convenient place to purchase the products.

**EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
MANAGEMENT’S DISCUSSION AND ANALYSIS (Unaudited)  
Year Ended June 30, 2011**

**AUTHORITY DETAILS**

As previously stated, the Authority’s net assets increased by \$32,980 during the fiscal year ended June 30, 2011. The unrestricted net assets – the part of the net assets that can be used to finance day-to-day operations without constraints established by legal requirements - changed from \$278,948 at June 30, 2010 to \$359,297 at June 30, 2011, an increase of \$80,349. Operating expenses of the Authority have continued to exceed revenues.

The Authority’s primary purpose in providing the regional food distribution center is to further the economy and growth of the agricultural industry in the counties it serves. Management continually strives to find new markets and buyers for the products the farmers produce as well as encouraging farmers to bring their products to the center to sell.

The Authority also leases various portions of its buildings and land to several tenants. During the 2011 fiscal year, lease income totaled \$123,050, an increase of \$11,495 over the prior fiscal year.

Administrative costs increased by \$1,702 for the year ended June 30, 2011.

The following tables summarize the Authority’s Net Assets (Table 1) and Changes in Net Assets (Table 2).

**CAPITAL ASSETS**

**Capital Assets**

At June 30, 2011, East Tennessee Regional Agribusiness Marketing Authority had \$4,482,767 invested in capital assets, the majority of which was invested in land and buildings (\$4,214,081). The remaining capital assets consisted of equipment. Net capital assets decreased by \$47,369 for the year ended June 30, 2011. The decrease was primarily due to depreciation offset by equipment purchases.

**EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
MANAGEMENT’S DISCUSSION AND ANALYSIS (Unaudited)  
Year Ended June 30, 2011**

The following table summarizes the Authority’s capital assets for the years ended June 30, 2011 and 2010 (Table 3).

Table 3  
Capital Assets at June 30, (net of depreciation)

	2011	2010
Land	\$ 463,549	\$ 463,549

Equipment	268,685	263,049
Totals	\$ 4,482,767	\$ 4,530,136

**ECONOMIC FACTORS**

East Tennessee Regional Agribusiness Marketing Authority’s income is dependent upon maintaining operating leases and receiving produce from area farmers. If the Authority is unable to lease the property or if farmers are unable to supply the produce, then the Authority’s operations and income are limited.

**CONTACTING THE AUTHORITY’S FINANCIAL MANAGEMENT**

This financial report is designed to provide the citizens and taxpayers with a general overview of the Authority’s finances and to show the Authority’s accountability for the money it receives. If you have questions about this report or need additional financial information, contact East Tennessee Regional Agribusiness Marketing Authority’s business office at 1715 Garden Valley Drive, White Pine, Tennessee 37890.

EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2011

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Statement

The East Tennessee Regional Agribusiness Marketing Authority (the "Authority") was created in 1998 under Title 64 of the Code of the State of Tennessee. The Authority was created as a public and governmental body acting as an agent and instrumentality of the counties with respect to which the authority is organized. The purpose of the Authority is to establish and operate a market for agricultural products of the region through a food distribution center, to provide farmers of the region with a ready market for agricultural products, and to provide the citizens of the region and other buyers a convenient place to purchase these products. The accounting policies of the Authority conform to generally accepted accounting principles applicable to government units. The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant accounting policies established in GAAP and used by the Authority are described below.

Basis of Presentation

The Authority is governed by a Board of Directors consisting of the county mayor of each county, or the county mayor's designee. The following counties comprise the authority: Claiborne, Cocke, Grainger, Greene, Hamblen, Hancock, Hawkins, Jefferson, Johnson, Sullivan, Unicoi and Washington. The Authority's board also has (2) non-voting members including the Commissioner of the Department of Agriculture or the commissioner's designee, and the Dean of the University of Tennessee Agricultural Extension Service, or the dean's designee. The board has an executive committee consisting of the chairman, vice chairman, secretary, treasurer, and the center manager as an ex officio member. The executive committee is authorized to act on behalf of the board in the day to day operations of the authority.

The Authority operates as a governmental enterprise fund, used for activities which are financed and operated in a manner similar to a private business enterprise where the intent of the governing body is that the costs (expenses, including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the governing body has decided that periodic determination of revenues earned, expenses incurred, or net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2011

Definition of Operating Activities

The Authority considers operating revenues and expenses to be those that result from providing a market for agricultural products of the region and from the lease of other commercial property owned by the Authority.

Measurement Focus/Basis of Accounting

Measurement focus refers to what is being measured; basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting is related to the timing of the measurement made, regardless of the measurement focus applied.

The Authority's records are accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenues are recorded when they are earned, and expenses are recorded at the time liabilities are incurred.

Cash and Cash Equivalents

For purposes of the statements of cash flows, cash and cash equivalents includes bank demand deposits and all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

Capital Assets

Capital assets owned by the Authority are recorded at cost. Repairs and maintenance are recorded as expenses. Betterments and renewals are capitalized. Depreciation of fixed assets is charged as an expense against its operations. Accumulated depreciation is reported on the balance sheet.

The Authority has provided for depreciation over the estimated useful lives of assets using the straight line method. The estimated useful lives are as follows:

Buildings	40 years
Equipment	5 - 20 years

Estimates

The preparation of these financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2011

NOTE B - CASH AND INVESTMENTS

The Authority maintained checking and savings accounts at Community National Bank during the year ended June 30, 2011. State law requires deposits of the Authority's funds to be insured or collateralized. At June 30, 2011 the Authority had deposits totaling \$350,067. Funds in excess of the Federal Deposit Insurance Corporation insured amounts of \$250,000 were secured by the bank's pledge of collateral through their participation in the State of Tennessee collateral pool.

NOTE C – RESTRICTED NET ASSETS

The Authority had no restricted net assets at June 30, 2011.

NOTE D – CAPITAL ASSETS

Capital asset activity for the fiscal year ended June 30, 2011 is as follows:

	<u>July 1, 2010</u>	<u>Additions</u>	<u>Disposals</u>	<u>June 30, 2011</u>
Non-depreciable assets:				
Land	\$ 463,549	\$ -	\$ -	\$ 463,549

Total net capital assets	\$ 4,530,136	\$ (47,369)	\$ -	\$ 4,482,767

EAST TENNESSEE REGIONAL AGRIBUSINESS MARKETING AUTHORITY  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2011

NOTE E - RISK FINANCING ACTIVITIES

The Authority is exposed to various risks related to general liability and property and casualty losses. The Authority carries commercial insurance to cover their risks related to general liability, property and casualty and officers and directors.

Settled claims have not exceeded their commercial coverage in any of the past three years.

NOTE F – LEASING OPERATIONS AND GEOGRAPHICAL RISK

The Authority receives a major portion of its income from leasing real estate. The lease periods are normally for a period of one year.

Also, the Authority's operations are centered in the Upper East Tennessee region and are dependent on farmers of the area providing produce for sale at the market.

NOTE G – REGIONAL SEWER SYSTEM IMPLEMENTATION STUDY PLAN

In April of 2011, East Tennessee Regional Agribusiness Marketing Authority applied for a Rural Business Enterprise Grant. The purpose of the grant was for an implementation study plan for a regional sanitary sewer system. The project was estimated to cost \$150,000 with \$90,000 coming from the federal grant and \$60,000 from local sources. East Tennessee Regional Agribusiness Marketing Authority agreed to fund up to \$150,000 of the cost. The grant funds and funds from the local governments, which would benefit from the prospective sewer system, would be used to repay East Tennessee Regional Agribusiness Marketing Authority. During the year ended June 30, 2011, East Tennessee Regional Agribusiness Marketing Authority paid \$86,650 in costs related to this project which is shown on its Statement of Net Assets as a receivable at June 30, 2011.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
East Tennessee Regional Agribusiness Marketing Authority  
White Pine, Tennessee

We have audited the accompanying financial statements of the East Tennessee Regional Agribusiness Marketing Authority as of and for the year ended June 30, 2010 and have issued our report thereon dated August 9, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the East Tennessee Regional Agribusiness Marketing Authority is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered East Tennessee Regional Agribusiness Marketing Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of East Tennessee Regional Agribusiness Marketing Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of East Tennessee Regional Agribusiness Marketing Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect, and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of East Tennessee Regional Agribusiness Marketing Authority's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether East Tennessee Regional Agribusiness Marketing Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the board of directors of East Tennessee Regional Agribusiness Marketing Authority and the State of Tennessee, Division of County Audit and is not intended to be and should not be used by anyone other than these specified parties.

*McFarland and Gann, P.C.*
