INDEPENDENT AUDITOR'S REPORT

Board of Directors
E.G. Fisher Public Library

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the major fund information of the E.G. Fisher Public Library, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the Library's basic financial statements, as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the E.G. Fisher Public Library, as of June 30, 2014, and, the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and TCRS Schedule of Funding Progress listed in the Table of Contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management has omitted a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the E.G. Fisher Public Library's basic financial statements. The Introductory Section is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Introductory Section has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Board of Directors
E.G. Fisher Public Library

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 12, 2014, on our consideration of the E.G. Fisher Public Library's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the E.G. Fisher Public Library's internal control over financial reporting and compliance.

E.G. FISHER PUBLIC LIBRARY
Notes to Financial Statements
June 30, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the E.G. Fisher Public Library have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The following is a summary of the more significant accounting policies:

A. Reporting Entity

E.G. Fisher Public Library is a non-profit entity which operates under provisions of the laws of Tennessee. The Entity is governed by an executive director and board members who jointly oversee the general administrative responsibilities. Because it is primarily funded by allocations from local governments and provides services to the public, it is classified as a “special purpose” government.

The City of Athens and McMinn County participate in the joint operation of the E.G. Fisher Public Library. The McMinn County Library Board consists of seven members, of which four are appointed by the County Commission and three are appointed by the City Council. E.G. Fisher Public Library, however, does not qualify as a component unit of either the City of Athens or McMinn County and has no component units based on the criteria of GASB Statement No. 14 as amended by GASB Statement No. 39.

B. Basic Financial Statements

The basic financial statements include both government-wide (based on the Entity as a whole) and fund financial statements. Both the government-wide and fund financial statements categorize activities as either governmental activities or business-type activities.

Government-wide Statements - The Entity’s government-wide financial statements include a Statement of Net Position and a Statement of Activities. These statements present summaries of Governmental Activities for the Entity applicable to governmental units which are generally accepted in the United States of America.

The Statement of Net Position and the Statement of Activities display information about the primary government. These statements include the financial activities of the overall government. Eliminations have been made to minimize the double-counting of internal activities. The Statement of Activities presents a comparison between direct expenses and program revenues for each function of the Entity’s governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) fees, fines and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational requirements of a particular program. The net cost (by function) is normally covered by general revenue (unrestricted grants and contributions, interest income, etc.).

This government-wide focus is designed to view the E.G. Fisher Public Library as a complete entity and the change in aggregate financial position resulting from the activities of the fiscal period.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Basic Financial Statements (Continued)

Fund Financial Statements - The fund financial statements provide information about the Entity's funds. Separate statements for each fund category are presented. The emphasis of fund financial statements is on the major governmental fund.

The Entity reports the following major governmental fund:

General Fund - This is the Entity's primary operating fund. It accounts for all financial resources of the Entity, except those required to be accounted for in another fund.

C. Measurement Focus - Basis of Accounting

The government-wide financial statements are presented in an economic resources measurement focus and the accrual basis of accounting. Accordingly, all of the Entity's assets, deferred outflows, liabilities, and deferred inflows, including capital assets, are included in the accompanying Statement of Net Position. The Statement of Activities presents changes in net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred. The types of transactions reported as program revenues are reported in two categories 1) charges for services; and 2) operating grants and contributions.

Government Fund Financial Statements

Government fund financial statements include a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances for all major governmental funds and non-major funds aggregated. The Entity has presented all major funds that met those qualifications.

All governmental funds are accounted for on a spending or current financial resources measurement focus and the modified accrual basis of accounting. Accordingly, only current assets and current liabilities are included on the Balance Sheet. The Statement of Revenues, Expenditures and Changes in Fund Balance presents increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to financial expenditures of the current period. According, revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Entity considers revenues to be available if they are collected within sixty days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures as well as expenditures related to compensated absences claims and judgments are recorded when payment is due.

Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the governmental activities column in the government-wide financial statements, a reconciliation is presented on the page following each statement which briefly explains the adjustments necessary to transform the fund-based financial statements into the governmental activities column of the government-wide presentation.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Fund Balance Policy

Committed Fund Balances:

The Board of Directors has the authority to commit funds for a specific purpose. Any funds set aside as committed fund balance requires, at a minimum, the passage of a resolution by a simple majority vote. An ordinance may also be used.

Assigned Fund Balance:

The Board of Directors has the authority to set aside funds for the intended use of a specific purpose. Any funds set aside as assigned fund balance requires a simple majority vote and must be recorded in the minutes.

Order of Use of Restricted and Unrestricted Funds:

When both restricted and unrestricted funds are available for expenditure, restricted funds should be spent first unless legal requirements disallow it.

When committed, assigned and unassigned funds are available for expenditure, committed funds should be spent first, assigned funds second, and unassigned funds last.

E. Budgets and Budgetary Accounting

Budgets are adopted on a basis consistent with generally accepted accounting principles but are not required to be included in this presentation. Annual appropriated budgets are adopted for the general and special revenue funds. All annual appropriations lapse at fiscal year end. Budgeted amounts are as originally adopted, or as amended by the Board prior to June 30, 2014.

F. Cash and Cash Equivalents

For financial statement purposes, the Entity considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

G. Investments

The Entity carries investments in equity securities with readily determinable fair values and all debt securities at fair value in accordance with Governmental Accounting Standards Board (GASB) No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. Unrealized gains and losses are included in the Statement of Activities.

For investment securities, the related investment activity (interest, dividends, gains and losses) is reported as revenue in the period in which the activity is recognized.

During the year ended June 30, 2014, the Entity did not own any types of securities other than those permitted by statute.

H. Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed on the straight line method over the estimated useful lives of the assets.

The Entity's collections and books are capitalized and depreciated under group methods for lives ranging from 3 to 7 years.

I. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Income Tax Status

Based upon a determination letter received from the Internal Revenue Service effective March 5, 1996, the Entity is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Entity's tax-exempt purpose may be subject to taxation as unrelated business income. In addition, the Entity qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1).

K. Contributed Facilities and Services

The Entity occupies, without charge, premises owned by the McMinn County Library Board. The estimated fair rental value of the premises is not included in the accompanying statements.

A number of unpaid volunteers have made significant contributions of their time to develop the Entity's programs. The value of this contributed time is not reflected in these statements as no reliable basis exists for determining an appropriate amount.

L. Net Position

Net position is the residual of all elements presented in the Statement of Financial Position (i.e., assets + deferred outflows - liabilities - deferred inflows). Net investment in capital assets represent capital assets reduced by accumulated depreciation and by any outstanding debt related to the acquisition, construction or improvement of those assets. Restricted net position represents restricted assets reduced by any related outstanding debt.

M. Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Financial Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. Currently, the Entity has no items that qualify for reporting as a deferred outflow of resources.

In addition to liabilities, the Statement of Financial Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. Currently, the Entity has no items that qualify for reporting as a deferred inflow of resources.

N. Events Occurring after Reporting Date

The Entity has evaluated events and transactions that occurred between June 30, 2014, and November 12, 2014, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 2 - DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that in the event of a bank failure the Entity's deposits may not be returned to it. The Entity does not have a deposit or investment policy for custodial credit risk, however, the State of Tennessee requires its governmental entities to either meet the deposit and collateralization regulations under TCA Title 9, Chapter 4, Parts 1 and 4, or as provided in the collateral pool. As of June 30, 2014, the carrying amount of the Entity's deposits was \$8,701 and the bank balance was \$11,428. None of the Entity's bank balance was exposed to custodial credit risk as uninsured or uncollateralized due to the fact that all of its deposits are fully collateralized.

NOTE 2 - DEPOSITS AND INVESTMENTS (Continued)

Investments

The Entity has an agreement with Citizens National Bank to oversee the investment and management of the Entity's investment funds. These investments are held by the counterparty, or by its trust department or agent, but not in the Entity's name. Investments are presented in the financial statements in the aggregate at fair value and consist of the following:

| | <u>Fair Value</u> <u>June 30, 2014</u> | <u>Fair Value</u> <u>June 30, 2013</u> | <u>Change in</u> <u>Fair Value</u> |
|-------------------------|---|---|---------------------------------------|
| Cash equivalents | \$ 2,905 | \$ 95,499 | \$(92,594) |
| Mutual funds | 224,705 | 198,562 | 26,143 |
| Fixed income securities | 173,930 | 97,446 | 76,484 |
| Equities | <u>4,412</u> | <u>3,930</u> | <u>482</u> |
| | <u>\$ 405,952</u> | <u>\$ 395,437</u> | <u>\$ 10,515</u> |

NOTE 3 - CAPITAL ASSETS

Capital asset activity for the year ended June 30, 2014, was as follows:

| | <u>Beginning</u> <u>Balance</u> | <u>Increases</u> | <u>Decreases</u> | <u>Ending</u> <u>Balance</u> |
|--|------------------------------------|-------------------|------------------|---------------------------------|
| Government activities: | | | | |
| Capital assets being depreciated: | | | | |
| Property and equipment: | | | | |
| Furniture and fixtures | \$ 13,986 | \$ - | \$ - | \$ 13,986 |
| Equipment | 79,942 | 14,966 | (33,056) | 61,852 |
| Library collections | <u>2,711,799</u> | <u>675,400</u> | <u>(100,269)</u> | <u>3,286,930</u> |
| Total capital assets being depreciated | <u>2,805,727</u> | <u>690,366</u> | <u>(133,325)</u> | <u>3,362,768</u> |
| Less accumulated depreciation for: | | | | |
| Property and equipment: | | | | |
| Furniture and fixtures | 13,370 | 246 | - | 13,616 |
| Equipment | 65,445 | 6,110 | (33,056) | 38,499 |
| Library collections | <u>1,023,934</u> | <u>134,998</u> | <u>(100,269)</u> | <u>1,058,663</u> |
| Total accumulated depreciation | <u>1,102,749</u> | <u>141,354</u> | <u>(133,325)</u> | <u>1,110,778</u> |
| Total capital assets being depreciated - net | <u>1,702,978</u> | <u>549,012</u> | <u>-</u> | <u>2,251,990</u> |
| Governmental activities capital assets - net | <u>\$ 1,702,978</u> | <u>\$ 549,012</u> | <u>\$ -</u> | <u>\$ 2,251,990</u> |

Capital assets net of accumulated depreciation is disclosed as follows:

| | |
|------------------------|---------------------|
| Property and equipment | \$ 23,723 |
| Library collections | <u>2,228,267</u> |
| Total | <u>\$ 2,251,990</u> |

Depreciation expense charged to programs is as follows:

| | |
|------------------|-------------------|
| Program services | <u>\$ 141,354</u> |
|------------------|-------------------|

NOTE 4 - RETIREMENT PLAN

Plan Description

Employees of E.G. Fisher Public Library are members of the Political Subdivision Pension Plan (PSPP), an agent multiple-employer defined benefit pension plan administered by the Tennessee Consolidated Retirement System (TCRS). TCRS provides retirement benefits as well as death and disability benefits. Benefits are determined by a formula using the member's high five-year average salary and years of service. Members become eligible to retire at the age of 60 with five years of service or at any age with 30 years of service. A reduced retirement benefit is available to vested members at the age of 55. Disability benefits are available to active members with five years of service who become disabled and cannot engage in gainful employment. There is no service requirement for disability that is the result of an accident or injury occurring while the member was in the performance of duty. Members joining the system after July 1, 1979, become vested after five years of service and members joining prior to July 1, 1979, were vested after four years of service. Benefit provisions are established in state statute found in Title 8, Chapter 34-37 of the Tennessee Code Annotated (TCA). State statutes are amended by the Tennessee General Assembly. Political subdivisions such as E.G. Fisher Public Library participate in the TCRS as individual entities and are liable for all costs associated with the operation and administration of their plan. Benefit improvements are not applicable to a political subdivision unless approved by the chief governing body.

The TCRS issues a publicly available financial report that includes financial statements and required supplementary information for the PSPP. That report may be obtained by writing to Tennessee Treasury Department, Consolidated Retirement System, 15th Floor Andrew Jackson Building, Nashville, TN 37243-0230 or can be accessed at <http://www.tn.gov/treasury/tcrs/PS/>.

Funding Policy

The Entity requires employees to contribute 5% of earnable compensation.

The Entity is required to contribute at an actuarially determined rate; the rate for the fiscal year ending June 30, 2014, was 6.76% of annual covered payroll. The contribution requirement of plan members is set by state statute. The contribution requirement for the Entity is established and may be amended by the TCRS Board of Trustees.

Annual Pension Cost

For the year ending June 30, 2014, the Entity's annual pension cost of \$7,444 to TCRS was equal to the Entity's required and actual contributions. The required contribution was determined as part of the July 1, 2011, actuarial valuation using the frozen entry age actuarial cost method. Significant actuarial assumptions used in the valuation include (a) rate of return on investment of present and future assets of 7.5% a year compounded annually, (b) projected 3.0 percent annual rate of inflation, (c) projected salary increases of 4.75% (graded) annual rate (no explicit assumption is made regarding the portion attributable to the effects of inflation on salaries), (d) projected 3.5% annual increase in the Social Security wage base, and (e) projected post-retirement increases of 2.5% annually. The actuarial value of assets was determined using techniques that smooth the effect of short-term volatility in the market value of total investments over a ten-year period. E.G. Fisher Public Library's unfunded actuarial accrued liability is being amortized as a level dollar amount on a closed basis. The remaining amortization period at July 1, 2011, was 1 year. An actuarial valuation was performed as of July 1, 2011, which established contribution rates effective July 1, 2012.

NOTE 4 - RETIREMENT PLAN (Continued)**Annual Pension Cost (Continued)****Trend Information**

| June 30, 2014 | \$ 7,444 | 100.00% | \$0.00 |
| June 30, 2013 | \$ 6,651 | 100.00% | \$0.00 |
| June 30, 2012 | \$ 7,667 | 100.00% | \$0.00 |

Funded Status and Funding Progress

As of July 1, 2013, the most recent actuarial valuation date, the plan was 87.68% funded. The actuarial accrued liability for benefits was \$0.56 million, and the actuarial value of assets was \$0.49 million, resulting in an unfunded actuarial accrued liability (UAAL) of \$0.07 million. The covered payroll (annual payroll of active employees covered by the plan) was \$0.09 million, and the ratio of the UAAL to the covered payroll was 74.07%.

The Schedule of Funding Progress, presented as Required Supplementary Information (RSI) following the Notes to the Financial Statements, present multi-year trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the AAL's for benefits.

(Dollar amounts in thousands)

| <u>Actuarial Valuation Date</u> | <u>Actuarial Value of Plan Assets (a)</u> | <u>Actuarial Accrued Liability (AAL) - Entry Age (b)</u> | <u>Unfunded AAL (UAAL) (b)-(a)</u> | <u>Funded Ratio (a/b)</u> | <u>Covered Payroll (c)</u> | <u>UAAL as a Percentage of Covered Payroll ((b-a)/c)</u> |
|---|---|--|--|-----------------------------------|------------------------------------|--|
| July 01, 2013 | \$ 491 | \$ 560 | \$ 69 | 87.68% | \$93 | 74.07% |
| July 01, 2011 | \$ 435 | \$ 438 | \$ 4 | 99.16% | \$124 | 2.96% |
| July 01, 2009 | \$ 328 | \$ 333 | \$ 5 | 98.55% | \$140 | 3.44% |

NOTE 5 - RISK MANAGEMENT

The Entity is exposed to various risks of loss to torts: theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Entity carries commercial insurance. For insured programs, there have been no significant reductions in insurance coverage for the current year or the three prior years.

NOTE 6 - CONCENTRATIONS

The Entity is highly dependent on government funding that could be discontinued at anytime. The Entity believes that it is highly unlikely that funding would be discontinued because of the nature of the services provided.

NOTE 7 - FUND BALANCE RELATED TO GASB STATEMENT 54

Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions* establishes standards for fund balance classifications for state and local governments and requires that resources be classified for accounting reporting purposes into the following fund balances:

Nonspendable, restricted, committed, assigned and unassigned.

Unassigned Fund Balance

In accordance with generally accepted accounting principles, the General Fund is the only fund at the Library that reports amounts for unassigned fund balance. This classification represents fund balance that is not nonspendable and has not been committed to specific purposes within the General Fund.

NOTE 8 - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Explanation of certain differences between the governmental fund Statement of Revenues, Expenditures and Changes in Fund Balances and the government-wide Statement of Activities:

The governmental fund Statement of Revenues, Expenditures and Changes in Fund Balances includes a reconciliation between net changes in fund balances for total governmental funds and changes in net position of governmental activities as reported in the government-wide Statement of Activities. One element of that reconciliation explains that, "Governmental funds report capital outlay as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense." The details of this \$549,012 difference are as follows:

| | |
|----------------------|-------------------|
| Capital outlay | \$ 690,366 |
| Depreciation expense | <u>(141,354)</u> |
| Net adjustment | <u>\$ 549,012</u> |

**INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
E.G. Fisher Public Library

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the E.G. Fisher Public Library as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the E.G. Fisher Public Library's basic financial statements and have issued our report thereon dated November 12, 2014.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the E.G. Fisher Public Library's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the E.G. Fisher Public Library's internal control. Accordingly, we do not express an opinion on the effectiveness of the E.G. Fisher Public Library's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify a certain deficiency in internal control, described in the accompanying Schedule of Findings and Responses as 14-1, that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the E.G. Fisher Public Library’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

E.G. Fisher Public Library’s Response to Findings

The E.G. Fisher Public Library’s responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. The E.G. Fisher Public Library’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Schedule of Findings and Responses
June 30, 2014

SUMMARY OF AUDIT RESULTS

Opinion:

Unqualified opinion issued on the financial statements in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States.

Internal Control Deficiencies:

During the audit of the financial statements, one significant deficiency in internal controls was disclosed.

Material Noncompliance:

No material noncompliance was disclosed.

FINDINGS RELATING TO THE FINANCIAL STATEMENTS WHICH ARE REQUIRED TO BE REPORTED IN ACCORDANCE WITH GENERALLY ACCEPTED GOVERNMENT AUDITING STANDARDS

INTERNAL CONTROL:

Finding 14-1 - Approvals and documentation (repeat 13-1)

Criteria:

Government Auditing Standards Chapter A.06(h) states that “inadequate controls for the safeguarding of assets” is a control deficiency.

Condition:

- 1) Final payroll summaries or check registers are not being reviewed and initialed by the Executive Director.
- 2) The Executive Director’s travel reimbursements are not being approved by board members.

Cause:

- 1) Procedures are not in place for payroll information to be reviewed and initialed by the Executive Director.
- 2) An approval process is not in place so that the Executive Director’s travel reimbursements are approved by board members.

Effect:

Without following the proper procedures on all payroll and travel reimbursements, improper payments could be expensed to the Library.

Management’s Response:

We concur. We are implementing new procedures to correct these issues in the future.

E.G. FISHER PUBLIC LIBRARY
Schedule of Prior Audit Findings
June 30, 2014

INTERNAL CONTROL:

13-1 - Approvals and documentation

Still in effect.

COMPLIANCE:

None disclosed.
