INDEPENDENT ACCOUNTANTS' AUDIT REPORT

Board of Directors  
Emergency Communications District of  
Campbell County, Tennessee  
LaFollette, Tennessee

**Report on the Financial Statements**

We have audited the accompanying financial statements of Emergency Communications District of Campbell County, Tennessee, a component unit of Campbell County, Tennessee, which comprise the statement of net position as of June 30, 2014 and the related statement of revenue, expenses and change in net position and statement of cash flows for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Emergency Communications District of Campbell County, Tennessee as of June 30, 2014 and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Other Matters***

#### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that management's discussion and analysis on pages 4 to 6 and the schedule of funding progress – political subdivision pension plan supplementary information on page 19 be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other information we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Emergency Communications District of Campbell County, Tennessee's financial statements. The statement of revenue, expenses and change in net position – actual and budget as well as the schedule of the board of directors are presented for purposes of additional analysis and are not a required part of the financial statements.

The statement of revenue, expenses and change in net position – actual and budget is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the statement of revenue, expenses and change in net position – actual and budget is fairly stated in all material respects in relation to the financial statements as a whole.

The schedule of the board of directors has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by *Governmental Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 27, 2015 on our consideration of Emergency Communications District of Campbell County, Tennessee's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Emergency Communications District of Campbell County, Tennessee's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

As management of Emergency Communications District of Campbell County, Tennessee (the District), we offer readers of the District's financial statements this narrative overview and analysis of the District's performance during the fiscal year ended June 30, 2014. Please read it in conjunction with the District's financial statements, which follow this section.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This annual report includes this management's discussion and analysis, the independent accountant's audit report and the basic financial statements of the District. The financial statements also include notes that explain in more detail some of the information in the financial statements.

**REQUIRED FINANCIAL STATEMENTS**

The financial statements of the District report information of the District using accounting methods similar to those used by private sector companies. These statements offer both short-term and long-term financial information about its activities. The statement of net position includes all of the District's assets and liabilities and provides information about where the District has invested its resources (assets) and the obligations to the District's creditors (liabilities).

All of the current year's revenue and expenses are accounted for in the statement of revenue, expenses, and change in net position. This statement measures the success of the District's operations over the past year and can be used to determine whether the District has successfully recovered all its costs through surcharges and fees.

The final required financial statement is the statement of cash flows. This statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balances during the reporting period.

**FINANCIAL ANALYSIS OF THE DISTRICT**

One of the most important questions asked about the District's finances is "Is the District better off or worse off as a result of this year's activities?" The statement of net position and the statement of revenue, expenses and change in net position report information about the District's activities in a way that will help answer this question. The two statements report the net position of the District and the change in it. One can think of the District's net position, the difference between assets and liabilities, as one way to measure financial health or financial position. Over time, increases or decreases in the District's net position is one indicator of whether its financial health is improving or deteriorating. A summary of the District's net position and change in it is presented below:

## SUMMARIZED FINANCIAL INFORMATION

	<u>2014</u>	<u>2013</u>
<b>NET POSITION</b>		
Current assets	\$ 906,881	\$ 861,231
Capital assets, net of accumulated depreciation	<u>624,655</u>	<u>653,489</u>
<b>TOTAL ASSETS</b>	<b><u>\$ 1,531,536</u></b>	<b><u>\$ 1,514,720</u></b>
Liabilities	\$ 42,522	\$ 47,303
Net position:		
Investment in capital assets	624,655	653,489
Restricted	0	101,325
Unrestricted	<u>864,359</u>	<u>712,603</u>
	<u>1,489,014</u>	<u>1,467,417</u>
<b>TOTAL LIABILITIES AND NET POSITION</b>	<b><u>\$ 1,531,536</u></b>	<b><u>\$ 1,514,720</u></b>
<b>CHANGE IN NET POSITION</b>		
Operating revenue	\$ 453,928	\$ 518,071
Operating expenses	<u>635,029</u>	<u>663,498</u>
<b>(LOSS) FROM OPERATIONS</b>	(181,102)	(145,427)
Nonoperating revenue and capital contributions	<u>202,698</u>	<u>365,554</u>
<b>CHANGE IN NET POSITION</b>	21,597	220,127
<b>NET POSITION AT THE BEGINNING OF THE YEAR</b>	<u>1,467,417</u>	<u>1,247,290</u>
<b>NET POSITION AT THE END OF THE YEAR</b>	<b><u>\$ 1,489,014</u></b>	<b><u>\$ 1,467,417</u></b>

## ANALYSIS OF FINANCIAL POSITION AND RESULTS OF OPERATIONS

The District completed the year ended June 30, 2014 with net position of \$1,489,014, which is \$21,597 more than the prior year's ending net position of \$1,467,417, an increase of 1% compared to the prior year. Unrestricted net position, the portion of net position that can be used to finance day-to-day operations increased by \$151,756 or 21% during the year ended June 30, 2014. The small increase in net position was due primarily to fewer capital contributions from the Tennessee Emergency Communications Board.

The operations of the District (a component unit of Campbell County, Tennessee) are primarily funded as follows:

	<u>2014</u>	<u>2013</u>
Emergency telephone service charges	\$ 135,777	\$ 160,358
TECB-shared wireless charge	85,192	81,749
TECB-operational funding program	223,358	275,796

### **BUDGETARY HIGHLIGHTS**

The District adopts an annual operating budget, which includes proposed expenses and the means for paying those expenses. As conditions change during the year, the budget may be amended to prevent budget overruns.

Revenue from residential phone lines decreased as compared to the prior year and was \$1,365 less than budgeted revenue. State shared wireless revenue increased as compared to the prior year and was \$14,679 more than the budgeted income. Operating income decreased as compared to the prior year and was \$14,204 less than the budgeted income. Actual expenses were \$7,275 less than the budgeted amount.

### **CAPITAL ASSETS**

At June 30, 2014 the District had investment in capital assets of \$624,655; an decrease of \$28,832 or 4% compared to the prior year. This change was a result of the purchase of capital assets totaling \$27,757 and depreciation expense of \$56,589. Additional information on capital assets can be found in Note D.

### **ECONOMIC FACTORS AND FUTURE NEEDS**

The main economic factor facing the District is the potential continued decrease in revenue generated from landline telephones. Many residents now use cell phones for their residential lines. While the increase in cell phone use is generating revenue, only a portion of that revenue is being returned to each 911 district under the current system being used by the state for distributing shared wireless fees. The uncertainty of landline use and income from shared wireless fees has been a problem in estimating revenue for budget preparation. However, in recent years, increased funding from the Tennessee Emergency Communications Board in the form of operational funding, grants and reimbursements have more than offset the decrease in emergency telephone service charges.

### **CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens with a general view of the District's finances and to show the District's accountability for the money it receives. If you have any questions about this report or need additional information, please contact Charles Hutson, Director of Emergency Communications District of Campbell County, Tennessee, P.O. Box 344, LaFollette, TN 37766.

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

**NOTES TO THE FINANCIAL STATEMENTS**

June 30, 2014

**NOTE A - DESCRIPTION OF ORGANIZATION**

Emergency Communications District of Campbell County, Tennessee (the District) was created by a county-wide referendum on January 1, 1991. The Campbell County Board of Commissioners appointed the District's Board of Directors pursuant to Tennessee Code Annotated Section 7-86-101. The District is responsible for the installation and maintenance of the emergency communications network of Campbell County, Tennessee (Enhanced 911 Service).

The District is considered a component unit of Campbell County, Tennessee because the Campbell County Board of Commissioners appoints a majority of the District's Board of Directors and must approve any debt issued by the District.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The District's financial statements are reported using the economic resources measurement focus and accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the statement of net position. The statement of revenue, expenses and change in net position presents increases (revenue) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenue is recognized in the period in which it is earned while expenses are recognized in the period in which the liability is incurred.

Operating revenue is revenue that is generated from the primary operations of the District. All other revenue is reported as nonoperating revenue. Operating expenses are those expenses that are essential to the primary operations of the District. All other expenses are reported as nonoperating expenses.

GASB Statement No. 34, *Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments* establishes standards for external financial reporting for state and local governments and requires that resources be classified for accounting and reporting purposes into the following three net position groups:

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

**NOTES TO THE FINANCIAL STATEMENTS**

(continued)

June 30, 2014

Investment in capital assets: This category includes capital assets, net of accumulated depreciation. Investment in capital assets at June 30, 2014 has been calculated as follows:

Capital assets	\$ 882,100
Accumulated depreciation	<u>(257,445)</u>
	<u>\$ 624,655</u>

Restricted: This category includes net position whose use is subject to externally imposed stipulations that can be fulfilled by actions of the District pursuant to those stipulations or that expire by the passage of time. The District had no restricted net position as of June 30, 2014

Unrestricted: This category includes net position that is not subject to externally imposed stipulations and that does not meet the definition of “restricted” or “investment in capital assets”. Unrestricted net position may be designated for specific purposes by action of management or the Board of Directors or may otherwise be limited by contractual agreements with outside parties.

Accounts Receivable

Accounts receivable that are deemed uncollectible based upon a periodic review of the accounts are charged to revenue. At June 30, 2014 no allowance for uncollectible accounts was considered necessary.

Capital Assets

Capital assets, which include property and equipment, are recorded at cost. Capital assets are defined by the District as assets with an initial, individual cost of \$500 or more. Depreciation is computed using the straight-line method over the estimated useful lives, which range from five to forty years.

Operating Budget

The District is required by state law to adopt an annual operating budget. The Board of Directors approves the original budget and any amendments, and maintains the legal level of control at the line item level. The budget is prepared on the accrual basis of accounting. All appropriations lapse at the end of the year.

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

**NOTES TO THE FINANCIAL STATEMENTS**

(continued)

June 30, 2014

Use of Restricted/Unrestricted Net Position

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the District's policy is to apply restricted net position first.

Compensated Absences

The District's full-time employees are granted vacation leave in varying amounts. In the event of termination, the employee is paid for any unused vacation leave. Unused vacation leave as of June 30, 2014 in the amount of \$27,802 is included as a liability in the statement of net position.

**NOTE C - CASH**

Cash represents money on deposit in various banks. The District considers all highly liquid investments with an original maturity date of three months or less when purchased to be cash equivalents.

State of Tennessee law authorizes the District to invest in obligations of the United States of America or its agencies, non-convertible debt securities of certain federal agencies, other obligations guaranteed as to principal and interest by the United States of America or any of its agencies, secured certificates of deposit and other evidences of deposit in state and federal banks and savings and loan associations, and the Tennessee Department of Treasury Local Government Investment Pool (the LGIP). The LGIP contains investments in certificates of deposit, U.S. Treasury securities and repurchase agreements, backed by the U.S. Treasury securities. The Treasurer of the State of Tennessee administers the investment pool.

All deposits with financial institutions in excess of Federal Deposit Insurance Corporation (FDIC) limits are required to be secured by one of two methods. Excess funds can be deposited with a financial institution that participates in the State of Tennessee Bank Collateral Pool. For deposits with financial institutions that do not participate in the State of Tennessee Bank Collateral Pool, state statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits.

All cash balances at June 30, 2014 were either insured through the Federal Deposit Insurance Corporation or collateralized with securities held by the District's agent in the District's name.

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

**NOTES TO THE FINANCIAL STATEMENTS**

(continued)

June 30, 2014

**NOTE E - PENSION PLAN**

Plan Description

Employees of the District are members of the Political Subdivision Pension Plan (PSPP), an agent multiple-employer defined benefit pension plan administered by the Tennessee Consolidated Retirement System (TCRS). TCRS provides retirement benefits as well as death and disability benefits. Benefits are determined by a formula using the member's high five-year average salary and years of service. Members become eligible to retire at the age of 60 with five years of service or at any age with 30 years of service. A reduced retirement benefit is available to vested members at the age of 55. Disability benefits are available to active members with five years of service who become disabled and cannot engage in gainful employment. There is no service requirement for disability that is the result of an accident or injury occurring while the member was in the performance of duty.

Members joining the system after July 1, 1979 become vested after five years of service and members joining prior to July 1, 1979 were vested after four years of service. Benefit provisions are established in state statute found in Title 8, Chapter 34-37 of the Tennessee Code Annotated (TCA). State statutes are amended by the Tennessee General Assembly. Political subdivisions such as the District participate in the TCRS as individual entities and are liable for all costs associated with the operation and administration of the plan. Benefit improvements are not applicable to a political subdivision unless approved by the chief governing body.

The TCRS issues a publicly available financial report that includes financial statements and required supplementary information for the PSPP. That report may be obtained by writing to Tennessee Treasury Department, Consolidated Retirement System, 15th Floor Andrew Jackson Building, Nashville, TN 37243-0230 or can be accessed at <http://www.tn.gov/treasury/tcrs/PS/>.

Funding Policy

The District requires employees to contribute 5.0% of earnable compensation.

The District is required to contribute at an actuarially determined rate; the rate for the fiscal year ended June 30, 2014 was 8.69% of annual covered payroll. The contribution requirement of plan members is set by state statute. The contribution requirement for the District is established and may be amended by the TCRS Board of Trustees.

EMERGENCY COMMUNICATIONS DISTRICT OF  
CAMPBELL COUNTY, TENNESSEE

**NOTES TO THE FINANCIAL STATEMENTS**

(continued)

June 30, 2014

Annual Pension Cost

For the year ended June 30, 2014, the District's annual pension cost of \$27,075 to the TCRS was equal to the District's required and actual contributions. The required contribution was determined as part of the July 1, 2011 actuarial valuation using the frozen entry age actuarial cost method. Significant actuarial assumptions used in the valuation include: (a) a rate of return on investment of present and future assets of 7.5% a year compounded annually, (b) projected 3.0% annual rate of inflation, (c) projected salary increases of 4.75% (graded) annual rate (no explicit assumption is made regarding the portion attributable to the effects of inflation on salaries), (d) projected 3.5% annual increase in the Social Security wage base, and (e) projected post retirement increases of 2.5% annually.

The actuarial value of plan assets was determined using techniques that smooth the effect of short-term volatility in the market value of total investments over a ten-year period. The District's unfunded actuarial accrued liability (UAAL) is being amortized as a level dollar amount on a closed basis. The remaining amortization period at July 1, 2011 was 4 years. An actuarial valuation was performed as of July 1, 2011, which established contribution rates effective July 1, 2012.

Trend Information

<u>Year Ended</u>	<u>Annual Pension Cost(APC)</u>	<u>Percentage of APC Contribution</u>	<u>Net Pension Obligation</u>
6/30/14	\$ 27,075	100.00%	\$ 0
6/30/13	28,853	100.00	0
6/30/12	28,587	100.00	0

Funded Status and Funding Progress

As of July 1, 2013, the most recent actuarial valuation date, the plan was 91.32% funded. The actuarial accrued liability (AAL) for benefits was \$0.75 million, and the actuarial value of assets was \$0.68 million, resulting in a UAAL of \$0.06 million. The covered payroll (annual payroll of active employees covered by the plan) was \$0.28 million, and the ratio of the UAAL to the covered payroll was 23.40%.

The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, present multiyear trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the AAL's for benefits.

Unfunded AAL (UAAL)	65,000	36,000	43,000
Funded ratio	91.32%	93.64%	88.80%
Covered payroll	277,000	343,000	299,000
UAAL as a percentage of covered payroll	23.40%	10.40%	14.34%

**NOTE F - RISK MANAGEMENT**

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District carries commercial insurance for all risks of loss, including general liability and workers' compensation coverage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

INTERNAL CONTROL

AND

COMPLIANCE

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors  
Emergency Communications District of  
Campbell County, Tennessee  
LaFollette, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America, the financial statements of Emergency Communications District of Campbell County, Tennessee, which comprise the statement of net position as of June 30, 2014 and the related statements of revenue, expenses and change in net position, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated January 27, 2015.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Emergency Communications District of Campbell County, Tennessee's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Emergency Communications District of Campbell County, Tennessee's internal control. Accordingly, we do not express an opinion on the effectiveness of Emergency Communications District of Campbell County, Tennessee's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Emergency Communications District of Campbell County, Tennessee's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Emergency Communications District of Campbell County, Tennessee's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we have reported to management of Emergency Communications District of Campbell County, Tennessee in a separate letter dated January 27, 2015.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Emergency Communications District of Campbell County, Tennessee's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Emergency Communications District of Campbell County, Tennessee's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in cursive script that reads "Mitchell Emert + Hill".
