Management's Discussion and Analysis

This section of the Humphreys County Emergency Communications District's (District) annual financial report presents our discussion and analysis of the District's financial performance during the fiscal year ended June 30, 2014. This section should be read in conjunction with the financial statements and accompanying notes, which follow this section.

The District is a proprietary component unit of the government of Humphreys County, Tennessee. The District was created in May 1988. The District provides the public a means of securing emergency services by telephone. In November 2001, the emergency service dispatch functions were consolidated under the central control of the District for the governments of Humphreys County, City of Waverly, City of New Johnsonville, and City of McEwen.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the District's financial statements. The financial report includes three financial statements: the Statement of Net Position; the Statement of Revenues, Expenses and Changes in Net Position; and the Statement of Cash Flows. The financial statements are prepared on the accrual basis of accounting. The Statement of Net Position includes all the assets and liabilities of the District at the end of the fiscal year. The difference in the assets and liabilities is the net position of the District. The Statement of Revenues, Expenses and Changes in Net Position reports all of the revenues and expenses of the District for the fiscal year. The Statement of Cash Flows reports the cash provided and used by operating activities as well as other cash sources and cash payments, such as investment income and capital outlays, for the fiscal year. The Notes to the Financial Statements include an explanation of the major accounting policies of the District and also in certain instances provide further or explanatory information about information contained in the three financial statements.

Financial Highlights

	Statement of Net Position	
	<u>2013</u>	<u>2014</u>
Current Assets	\$ 725,503	\$ 734,627
Capital Assets and Deferred Charges	<u>357,549</u>	<u>408,073</u>
TOTAL ASSETS	<u>\$1,083,052</u>	<u>\$1,142,700</u>
Current Liabilities (Equals Total Liabilities)	\$ 6,870	\$ 7,556
Net Position Invested in Capital Assets	356,191	408,073
Unrestricted Net Position	<u>719,991</u>	<u>727,071</u>
Total Net Position	<u>1,076,182</u>	<u>1,135,144</u>
TOTAL LIABILITIES AND NET POSITION	<u>\$1,083,052</u>	<u>\$1,142,700</u>

Changes in Net Position

	2013	2014
Operating Revenues	\$331,554	\$313,351
Operating Expenses	709,934	707,601
Net Operating Income	(378,380)	(394,250)
Other Income	358,509	328,597
Other Expense	0	(74,465)
Capital Contributions	86,291	199,079
Changes in Net Assets	\$ 66,420	\$ 58,961

Operating Revenues

Operating revenues decreased from the prior year due to an across the board decrease from the two major service providers in the County and amounts received from the State of Tennessee for the County's wireless allocation of funds.

Other Income

Some of the items categorized under the other income category are amounts received from the primary government and other local governments that participate in an inter-local cooperation agreement (cost sharing) in order to provide for the operation of central dispatching. There was an increase in the funding from these governments of approximately \$7,716 (\$264,758 – 2014 and \$257,042 – 2013).

The District received \$262,343 in 2014 and \$180,451 in 2013 in grants and reimbursements from the Tennessee Emergency Communications Board. The amounts received in 2014 were for such items as maintaining a Global Information System (GIS) mapping system, dispatcher training, and purchases of equipment.

Operating Expenses

Operating expenses were down \$2,333 when compared to last year. There was not one main cause for the decrease, in relation to the prior year.

Other Expense

Other expenses consisted of the replacement and upgrade of capital equipment and resulted in a loss on the disposition of the assets of \$74,465.

Capital Expenditures

Some of the significant capital expenditures made during the fiscal year 2014 and 2013 were:

For the year ended June 30, 2014:

Zetron Max Call Taking Equipment	\$214,214
Computers (2 desktop; 2 laptops)	5,865

For the year ended June 30, 2013:

Recorders, Servers and Related Items	\$ 62,496
Chairs – Intensive Use	5,252
Vehicle and Related Equipment	27,331

Contacting the Agency’s Financial Management

The financial report is designed to provide a general overview of the District’s finances for all those with an interest in the District’s finances. If you have any questions about this report or need additional financial information, contact the District’s office at P.O. Box 553; Waverly, TN 37185.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Humphreys County Emergency Communications District
Waverly, Tennessee

Report on the Financial Statements

We have audited the accompanying financial statements of the Humphreys County Emergency Communications District (District) (a component unit of Humphreys County, Tennessee) as of and for the year ended June 30, 2014, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the District as of June 30, 2014, and the changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 2 through 4, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was made for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying information listed as the introductory section and supplementary information in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements of the District.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements taken as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated November 26, 2014, on our consideration of the District's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

**HUMPHREYS COUNTY EMERGENCY COMMUNICATIONS DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Entity

The Humphreys County Emergency Communications District (District or Humphreys County E911) was created under *Tennessee Code Annotated 7-86-104 et. seq., Emergency Communications Districted Law* by a referendum of voters in Humphreys County, Tennessee (County) in May 1988. The assessment of service fees began September 1, 1989.

The purpose of the District is to provide a simplified means of securing emergency services by telephone to those persons living in the County. In November 2001, emergency service dispatch functions were consolidated under a centralized communications center (the District) for the governments of Humphreys County, City of Waverly, City of New Johnsonville, and City of McEwen.

The District is considered a component unit of the County because the Board of Directors is appointed by the County Commission. The County Commission has the authority to adjust rates charged by the District, and the County Commission must approve most debts issued by the District.

Measurement Focus/Basis of Accounting

The District is considered an proprietary type fund; therefore, the District's financial statements are reported using the economic resources measurement focus and accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the Statement of Net Position. The Statement of Revenue, Expenses and Changes in Net Position present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenue is recognized in the period in which it is earned while expenses are recognized in the period in which the liability is incurred.

Operating revenue is revenue that is generated from the primary operations of the district. All other revenue is reported as nonoperating revenue. Operating expenses are those expenses that are essential to the primary operations of the district. All other expenses are reported as nonoperating expenses.

The financial statements are prepared under the requirements of GASB Statement Number 34, Basic Financial Statements, Management's Discussion and Analysis for State and Local Governments and related standards. This statement provides for various terminology and includes recognition of capital grants in the Statement of Revenues, Expenses and Changes in Net Position; a presentation of net position; as well as an inclusion of a management discussion and analysis; supplementary information; and other changes.

Income Taxes

The District is deemed to be a municipality under the laws of the State of Tennessee; therefore, it is exempt from federal income taxes.

**HUMPHREYS COUNTY EMERGENCY COMMUNICATIONS DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Investments

Cash and cash equivalents include amounts of cash on hand, demand deposits and time deposits with original maturities of three months or less.

State statutes (TCA, 5-8-301) determine what investments are allowable for the District. For the most part, allowable investments consist of bonds, notes or treasury bills of the United States or other obligations guaranteed as to principal and interest by the United States or any of its agencies, repurchase agreements, the Tennessee Local Government Investment Pool and certificates of deposits.

Due from Tennessee Emergency Communications Board (TECB)

The amount due from the Tennessee Emergency Communications Board includes the amount of wireless surcharges collected by the State prior to June 30, 2014, but not remitted to the District until after June 30, 2014.

Due from Primary and Other Governments

In November 2001, the District entered into an inter-local cooperation agreement between the governments of Humphreys County, City of Waverly, City of New Johnsonville, and City of McEwen. The inter-local cooperation agreement essentially consolidated the dispatching of emergency services process for all the governments to a central location and in turn the governments contribute funds to the District to cover personnel costs. There were no amounts owed the District by the primary government or other local governments at June 30, 2014.

Accounts Receivable

Accounts receivable represents amounts due from AT&T, Humphreys County Telephone Company, and other service providers that operate in the area and collect the user fees assessed by the District.

Accounts Payable

Payables are accrued for goods, services and equipment that have been received by June 30, but for which payment was not made by the balance sheet date.

Property and Equipment

Property and equipment is recorded at historical cost. Maintenance repairs and minor renewals are expensed as incurred. Depreciation has been provided over the estimated useful lives of the fixed assets by the straight-line method. The estimated useful lives for depreciable items range from 4 to 10 years.

**HUMPHREYS COUNTY EMERGENCY COMMUNICATIONS DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014**

NOTE 2 – DEPOSITS, INVESTMENTS AND CUSTODIAL CREDIT RISK

Custodial credit risk for deposits is the risk that in the event of a bank failure, the District's deposits may not be returned or the District will not be able to recover collateral securities in the possession of an outside party. State statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits. Further, state statutes require that the collateral must be placed by the depository bank in an escrow account in a second bank for the benefit of the District.

At June 30, 2014, the carrying value (bank balance) of deposits of the District was \$60,963. Therefore, all deposits would be considered insured.

Investments consisted of an account with the Tennessee Local Government Investment Pool, with interest being earned at a variable rate. The market value of the account is equivalent to the carrying value, which at June 30, 2014, was \$652,555.

NOTE 3 - FUNDING SOURCES

Funds for operations are provided by monthly fees from service users in the County. Two major service suppliers in the County, AT&T and Humphreys County Telephone, collect the service fees and remit the funds to the District. The telephone companies retain one to three percent of the collections as an administrative fee. The District also receives a portion of the wireless phone surcharge administered by the State of Tennessee, Department of Commerce and Insurance, Tennessee Emergency Communications Board.

NOTE 4 - RISK MANAGEMENT

The District is exposed to various risks of loss related to tort, theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. It is the policy of the District to purchase commercial insurance for these risks. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

NOTE 5 - BUDGETARY INFORMATION

The District is required by Section 7-86-120, TCA, to adopt an annual budget. The budget must be prepared at the line-item level. The District's budgetary basis of accounting is consistent with generally accepted accounting principles (GAAP); except for, gains or losses on the disposition of equipment.. Therefore, capital outlay items, although authorized, are not presented in the Budgetary Comparison Schedule, which compares budgetary revenues and expenses to actual. The Budgetary Comparison Schedule is presented in the supplementary information section of this report.

**HUMPHREYS COUNTY EMERGENCY COMMUNICATIONS DISTRICT

Total	<u>\$306,041.55</u>	<u>\$ 72,732.30</u>	<u>\$116,333.35</u>	<u>\$262,440.50</u>

NOTE 7 - COMMITMENTS

In 2001, the District entered into a 20-year lease with the City of Waverly for premises in order to operate the central dispatching functions of the District. The lease term is for 240 monthly payments of \$3,200.00 each beginning July 1, 2002.

NOTE 8 – TOWER PURCHASES BY COUNTY AND FUTURE COMMITMENT

During the year ended June 30, 2009, Humphreys County, Tennessee purchased two 300' Type WSST self supported towers for a price of \$154,589 each. One of the towers is located on a County owned site while the other tower is located on a City of Waverly site. It is the intent of all parties involved that the District will maintain and manage the towers upon completion as long as the District is providing central dispatching functions. The towers are financially being accounted for by Humphreys County, Tennessee and no amounts are reflected within these financial statements.

**HUMPHREYS COUNTY EMERGENCY COMMUNICATIONS DISTRICT
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014**

NOTE 9 – SUPPLEMENTAL CASH FLOW INFORMATION

There were no amounts of interest expense capitalized during the current year.

NOTE 10 – SUBSEQUENT EVENTS

There were no subsequent events that occurred after the fiscal year end and through the date of the auditor's report that would require adjustment or disclosure to the financial statements.

NOTE 11 – TCRS PENSION PLAN

Employees of HUMPHREYS COUNTY 911 are members of the Political Subdivision Pension Plan (PSPP), an agent multiple-employer defined benefit pension plan administered by the Tennessee Consolidated Retirement System (TCRS). TCRS provides retirement benefits as well as death and disability benefits. Benefits are determined by a formula using the member's high five-year average salary and years of service. Members become eligible to retire at the age of 60 with five years of service or at any age with 30 years of service. A reduced retirement benefit is available to vested members at the age of 55. Disability benefits are available to active members with five years of service who become disabled and cannot engage in gainful employment. There is no service requirement for disability that is the result of an accident or injury occurring while the member was in the performance of duty. Members joining the system after July 1, 1979 become vested after five years of service and members joining prior to July 1, 1979 were vested after four years of service. Benefit provisions are established in state statute found in Title 8, Chapter 34-37 of the Tennessee Code Annotated (TCA). State statutes are amended by the Tennessee General Assembly. Political subdivisions such as HUMPHREYS COUNTY 911 participate in the TCRS as individual entities and are liable for all costs associated with the operation and administration of their plan. Benefit improvements are not applicable to a political subdivision unless approved by the chief governing body.

The TCRS issues a publicly available financial report that includes financial statements and required supplementary information for the PSPP. That report may be obtained by writing to Tennessee Treasury Department, Consolidated Retirement System, 10th Floor Andrew Jackson Building, Nashville, TN 37243-0230 or can be accessed at <http://www.tn.gov/treasury/tcrs/PS/>.

Funding Policy

HUMPHREYS COUNTY 911 requires employees to contribute 5.0 percent of earnable compensation.

HUMPHREYS COUNTY 911 is required to contribute at an actuarially determined rate; the rate for the fiscal year ending June 30, 2014 was 4.30% of annual covered payroll. The contribution requirement of plan members is set by state statute. The contribution requirement for HUMPHREYS COUNTY 911 is established and may be amended by the TCRS Board of Trustees.

Annual Pension Cost

For the year ending June 30, 2014, HUMPHREYS COUNTY 911's annual pension cost of \$13,572 to TCRS was equal to HUMPHREYS COUNTY 911's required and actual contributions. The required contribution was determined as part of the July 1, 2011 actuarial valuation using the frozen entry age actuarial cost method. Significant actuarial assumptions used in the valuation include (a) rate of return on investment of present and future assets of 7.5 percent a year compounded annually, (b) projected 3.0 percent annual rate of inflation, (c) projected salary increases of 4.75 percent (graded) annual rate (no explicit assumption is made regarding the portion attributable to the effects of inflation on salaries), (d) projected 3.5 percent annual increase in the Social Security wage base, and (e) projected post retirement increases of 2.5 percent annually. The actuarial value of assets was determined using techniques that smooth the effect of short-term volatility in the market value of total investments over a ten-year period. HUMPHREYS COUNTY 911's unfunded actuarial accrued liability is being amortized as a level dollar amount on a closed basis. The remaining amortization period at July 1, 2011 was 7 years. An actuarial valuation was performed as of July 1, 2011, which established contribution rates effective July 1, 2012.

Trend Information

<u>Fiscal Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
June 30, 2014	\$ 13,572	100.00%	\$ 0.00
June 30, 2013	\$ 12,843	100.00%	\$ 0.00
June 30, 2012	\$ 13,667	100.00%	\$ 0.00

Funded Status and Funding Progress

As of July 1, 2013, the most recent actuarial valuation date, the plan was 92.20% percent funded. The actuarial accrued liability for benefits was \$0.30 million, and the actuarial value of assets was \$0.28 million, resulting in an unfunded actuarial accrued liability (UAAL) of \$0.02 million. The covered payroll (annual payroll of active employees covered by the plan) was \$0.27 million, and the ratio of the UAAL to the covered payroll was 8.67 percent.

The schedules of funding progress, as presented below, present multiyear trend information about whether the actuarial values of plan assets are increasing or decreasing over time relative to the AALs for benefits.

Schedule of Funding Progress:

(Dollar amounts in thousands)

Actuarial Valuation Date	Actuarial Value of Plan Assets (a)	Actuarial Accrued Liability (AAL) -Entry Age (b)	Unfunded AAL (UAAL) (b) - (a)	Funded Ratio (a/b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b-a)/c)
July 01, 2013	\$275	\$299	\$23	92.20%	\$269	8.67%
July 01, 2011	\$202	\$247	\$44	82.03%	\$243	18.22%
July 01, 2009	\$107	\$155	\$38	68.90%	\$234	20.54%

NOTE 12 – CONCENTRATION OF REVENUES AND GRANTS

Whether from pass-through wireless collections, grants/reimbursement programs or operational funding programs, the District often receives 30-55% of its revenue from the Tennessee Emergency Communications Board. Any significant change in the Tennessee Emergency Communications Board's funding policies could have a significant impact on the District.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Humphreys County Emergency Communications District
Waverly, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Humphreys County Emergency Communications District (District)(a component unit of Humphreys County, Tennessee) as of and for the year ended June 30, 2014, and have issued our report thereon dated November 26, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine our auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management in a separate letter dated November 26, 2014.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND RECOMMENDATIONS
JUNE 30, 2014**

A. PRIOR YEAR FINDINGS

Government Auditing Standards require auditors to report on the status of uncorrected findings from prior audits. Presented below is the summarized data related to the prior year's audit findings:

There were no findings reported in the prior year.

B. CURRENT YEAR FINDINGS

There were no findings reported in the current year.
