**INDEPENDENT AUDITOR'S REPORT**

Board of Directors  
Community Care of Rutherford County, Inc.  
Murfreesboro, Tennessee

***Report on the Financial Statements***

I have audited the accompanying financial statements of Community Care of Rutherford County, Inc., a component unit of Rutherford County, Tennessee as of and for the year ended June 30, 2014 and the related notes to the financial statements, which collectively comprise Community Care of Rutherford County, Inc.'s basic financial statements, as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Community Care of Rutherford County, Inc., a component unit of Rutherford County, as of June 30, 2014, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***Required Supplementary Information***

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historic context. My opinion on the basic financial statements is not affected by this missing information.

***Other information***

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Community Care of Rutherford County, Inc.'s basic financial statements. The introductory section and other supplementary information are presented for purposes of additional analysis and is not a required part of the basic financial statements.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, I do not express an opinion or provide any assurance on it.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, I have also issued my report dated October 8, 2014, on my consideration of Community Care of Rutherford County, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Care of Rutherford County, Inc.'s internal control over financial reporting and compliance.

## Notes to Financial Statements

June 30, 2014

### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of Community Care of Rutherford County, Inc. (the Nursing Home) have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to governmental units. The financial statements and footnotes are the representation of the Nursing Home's management.

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the more significant accounting policies.

#### **Reporting Entity – Component Unit**

The Nursing Home is a component unit of the primary government of Rutherford County, Tennessee. The Nursing Home reports its financial information separately from Rutherford County; however, the County in its financial report also presents the Nursing Home's financial information.

Legally, the Nursing Home is a separate nonprofit entity that has considerable legal, financial and administrative autonomy. However, as the governing board is not elected but instead is entirely appointed by the Rutherford County's board of Commissioners, and the County is contingently liable for all the Nursing Home's debt obligations, the Nursing Home cannot be a primary government. Instead it qualifies as a component unit according to the directives of the Governmental Accounting Standards Board (GASB).

The GASB specifies that component units must be legally separate organizations which have financial accountability to a primary government. Financial accountability exists prima facie if a special-purpose government is not fiscally independent. GASB states that to be fiscally independent, the government has to have the authority to do all of three activities. One of these activities is to issue bonded debt without approval by another government. Community Care of Rutherford County, Inc. may not issue debt without Rutherford County, Tennessee's approval and the County remains contingently liable for all debt obligations. Because the Nursing Home is both a legal entity and financially accountable to the primary government of Rutherford County as the County Commission appoints all members of the governing board and by the nature of its fiscal dependence on Rutherford County as described above, it is a component unit of Rutherford County, Tennessee.

#### **Basis of Presentation**

The financial statements are prepared on the accrual basis of accounting, which recognizes revenues when earned and expenses when the liability is incurred.

As a component unit of Rutherford County, Tennessee, the financial statements of the Nursing Home are presented in the manner required by generally accepted governmental accounting principles for enterprise funds.

Notes to Financial Statements (Cont.)

June 30, 2014

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)**

Basis of Presentation (Cont.)

Enterprise funds account for operations that are financed and operated in a manner similar to that of a private business. The intent of the governing body is that the costs (expenses, including depreciation) of providing services on a continuing basis be financed or recovered primarily through user charges.

Cash, Cash Equivalents and Investments

Cash and cash equivalents consists of cash, demand deposits and short-term certificates of deposit with an original maturity of three months or less. At June 30, 2014, there were no certificates of deposit that qualified as cash equivalents. Investments were limited to certificates of deposit and were stated at fair value.

Inventories

Inventories consist of expendable supplies held for consumption and are valued at the lower of cost or market based on the first-in, first-out method.

Property and Equipment

Property and equipment are stated at cost. Depreciation of property and equipment is provided using the straight-line method. Maintenance and repairs are charged to operations when incurred. The Nursing Home eliminates the costs and related allowances from the accounts for properties sold or retired, and any resulting gains or losses are included in income. Donated fixed assets are valued at their estimated fair value on the date donated. The center estimates the useful lives of the respective classes of plant and equipment as follows:

Land improvements	10-20 years
Buildings and leasehold improvements	10-25 years
Transportation equipment	4-5 years
Furniture, fixtures and equipment	3-20 years

Compensated Absences

Nursing Home employees accrue personal leave, or compensated absences, by a prescribed formula based on length of service. Compensated absences related to the Nursing Home's employees are recorded within the period earned.

Operating Revenues and Expenses

The Nursing Home's operating revenues and expenses consist of revenues earned and expenses incurred relating to the operation and maintenance of its system. All other revenues and expenses are reported as non-operating revenues and expenses and consist of those revenues and expenses that are related to financing and investing type of activities and result from non-exchange transactions or ancillary activities.

### **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)**

#### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Income Taxes

No provision for accrued income taxes is reflected on the financial statements, as the Nursing Home is exempt from income taxes as a non-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code.

### **NOTE 2 – CASH AND CERTIFICATES OF DEPOSIT**

The Nursing Home is authorized to make investments in bonds, notes or treasury bills of the United States, certificates of deposit at Tennessee state chartered or federally chartered banks and savings and loan associations, Federal Loan Bank bonds, Federal Home Loan Bank notes and bonds, Federal National Mortgage Association notes and debentures, banks or cooperative debentures, or any of its other agencies, or obligations guaranteed as to principal and interest by the United States or any of its agencies with a maturity not greater than one year, or in the pooled investment fund established under Tennessee law. In the past, the board of directors chose to limit the investment of funds to certificates of deposit at banks and savings and loan institutions. Cash reserves for operations were held in bank checking and savings accounts.

Cash – At June 30, 2014, the carrying amount of cash was \$2,664,956 and the bank balance was \$2,928,948. At June 30, 2014, the entire bank balance was covered by federal depository insurance or collateral held by the Tennessee Bank Collateral Pool. The Tennessee Bank Collateral Pool is a multiple financial institution collateral pool in which member financial institutions holding public funds pledge collateral securities. In the event any member financial institution fails, the entire collateral pool becomes available to satisfy the claims of governmental entities. The pool also has the ability to make additional assessments on a pro rata basis to the members of the pool if the value of collateral is inadequate to cover a loss. Additionally, cash and cash equivalents presented on the balance sheet include \$350 of cash on hand that not included in cash deposits above.

### **NOTE 3 – ACCOUNTS RECEIVABLE**

Receivables totaling \$992,524 as of June 30, 2014, were comprised of:

Resident service fees	\$1,122,524
Less: allowance for uncollectibles	( 120,000)
Net resident service fees	<u>\$1,002,524</u>

Resident service revenue is reported at the estimated net realizable amounts from residents, third-party payers, and others for services rendered.

**COMMUNITY CARE OF RUTHERFORD COUNTY, INC.**

Notes to Financial Statements (Cont.)

June 30, 2014

**NOTE 3 – ACCOUNTS RECEIVABLE (CONT.)**

Revenue under third-party payer agreements is subject to audit and retroactive adjustment. Provisions for estimated third-party settlements are provided in the period the related services are rendered. Differences between the estimated amounts accrued and interim and final settlements are reported in operations in the year of settlement.

Resident accounts receivable are due within 10 days after the issuance of the request for payment. Third-party payer receivables are usually collected within 60 days. Receivables past due more than 120 days are considered delinquent. Management, based on individual evaluation and specific circumstances, writes off delinquent accounts. Some delinquent accounts deemed to be collectible are placed with an attorney for collection. Management uses the allowance method in accordance with generally accepted accounting principles and presents revenue net of written off delinquent accounts.

**NOTE 4 – CAPITAL ASSETS**

Capital assets activity for the year ended June 30, 2014 was as follows:

<u>Description</u>	<u>Beginning Balance</u>	<u>Additions</u>	<u>Retirements</u>	<u>Ending Balance</u>
<u>Capital assets not depreciated</u>				
Construction in progress	\$ 270,803	\$ 70,826	\$ 340,429	\$ 1,200

Net capital assets	\$ <u>959,661</u>	\$ <u>347,513</u>	\$ <u>340,429</u>	\$ <u>966,745</u>

Depreciation expense for the fiscal year ended June 30, 2014 amounted to \$101,105.

**COMMUNITY CARE OF RUTHERFORD COUNTY, INC.**

Notes to Financial Statements (Cont.)

June 30, 2014

**NOTE 5 – RESIDENT FUNDS HELD IN TRUST**

At June 30, 2014, the Nursing Home had a fiduciary responsibility for funds in the amount of \$30,344 on behalf of residents. Of this amount, \$28,420 was held in a separate interest bearing cash account, \$100 was held as cash on hand as resident trust petty cash and \$1,824 was due from the facility’s operating cash account as of June 30, 2014.

The Nursing Home is required to maintain a cash account as a depository for resident funds. The fund is restricted in use and can be accessed only for providing spending money for residents, purchasing supplies for residents with cash in the fund, or paying amounts due to the Nursing Home for resident care, providing the amount does not include monies stipulated for residents’ use only. All funds are required to be placed in an insured interest-bearing account.

**NOTE 6 – LEASE COMMITMENT**

On April 7, 2013 the Nursing Home renewed its lease agreement with Rutherford County, Tennessee for the use of the building it occupies. The Nursing Home, under terms of the lease, will incur no lease expense as long as the Nursing Home meets its responsibility to pay timely its cost of group health and life insurance premiums incurred. The lease term is for a period of five years, beginning July, 1 2011 and ending on June 30, 2016 and may be terminated by either party upon a 30-day written notice.

During the fiscal year ended June 30, 2014, the Nursing Home incurred and paid group health and life insurance premiums amounting to \$1,119,397.

**NOTE 7 – CONCENTRATION OF CREDIT RISK**

The Nursing Home grants credits without collateral to its residents, most whom are insured under third-party payer agreements. The receivables from residents and third-parties are comprised of:

Medicaid	40.55%
Medicare	33.74%
Private	6.55%
Insurance	19.16%

Approximately 84.33% of net resident revenue is derived from third-party payers.

**NOTE 8 – RISK FINANCING**

The Nursing Home is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Nursing Home maintains commercial insurance coverage on each area of risk. Exposure is limited to claims in excess of standard policy limitations. The Nursing Home annually reviews its insurance needs based on claims and/or potential claims to minimize exposure. There were no claims in excess of insurance coverage during the past three years.

### **NOTE 9 – PENSION PLAN**

Plan Description – Employees of Rutherford County are members of the Political Subdivision Pension Plan (PSPP), an agent multiple-employer defined benefit pension plan administered by the Tennessee Consolidated Retirement System (TCRS). The retirement plan for Community Care of Rutherford County is included in the total retirement program for Rutherford County. Therefore, separate retirement information for the Nursing Home is not available. Details relative to the funding status and progress, actuarially determined contribution requirements and contribution made, and trend information regarding the retirement plan can be found in the Comprehensive Annual Financial Report for Rutherford County. Total contributions to the plan by the Nursing Home for the year ended June 30, 2014 amounted to \$513,236.

### **NOTE 10 – POST-EMPLOYMENT BENEFITS**

From an accrual accounting perspective, the cost of other post-employment healthcare benefits (OPEB), like the cost of pension benefits, generally should be associated with the periods in which the cost occurs, rather than in the future year when it will be paid. In adopting the requirements of GASB Statement No. 45 during the year ended June 30, 2009, the Nursing Home recognizes the cost of post-employment benefits in the year when the employee services are received, reports the accumulated liability from prior years, and provides information useful in assessing potential demands on the Nursing Home's future cash flows. Recognition of the liability accumulated from prior years will be phased in over 30 years commencing with the 2009 liability.

Plan Description – The Nursing Home is included under Rutherford County's postretirement health insurance plan. Rutherford County's plan is an agent multiple-employer defined benefit OPEB plan. Benefits are established and amended by an insurance committee established by the County Commission.

Funding Policy – The premium requirements of plan members are established and may be amended by the insurance committee. The plan is self-insured and financed on a pay-as-you-go basis with the risk shared equally by the participants. Claims liabilities of the plan are periodically computed using actuarial and statistical techniques to establish premium rates. Rutherford County (County) develops its own contribution policy in terms of subsidizing active employees' or retired employees' premiums. An employee who retires from the County becomes eligible for retiree health coverage upon the earlier of attaining: (1) age 55 with 15 years of service and active coverage for five continuous years, (2) age 62 with ten years of service and active coverage for five continuous years, or (3) any age with 30 years of services and active coverage for five continuous years. An employee who becomes disabled becomes eligible for retiree health coverage if they are under age 65 and have completed at least ten years of service prior to total disability termination plus the employee must have had active coverage for a continuous five year period, and must have filed and qualified for Medicare disability coverage. If a retiree is eligible for health insurance coverage, health coverage is also provided for the retiree's spouse and/or dependent children. In the event of the retiree's death, the eligible surviving spouse and dependent children may elect to continue coverage until they would no longer qualify as dependents if the retiree were alive.

**NOTE 10 – POST-EMPLOYMENT BENEFITS (CONT.)**

Eligible retirees and dependents are required to share in the cost of health insurance coverage. Effective May 1, 2009, current retirees and actives age 65 and over as of December 31, 2009, and actives that have completed 30 years of service as of December 31, 2009, will be required to contribute 25% of the adequate premium for themselves and 50% of the adequate premium for their spouses. Effective January 1, 2010 all retirees that are retirement eligible as of December 31, 2010 or have at least 20 years of service as of December 31, 2010, upon attaining age 65, will be required to contribute 50% of the adequate premium for themselves and their spouses. This structure will be phased in over four years (2010 — 2013) such that contributions will be approximately 32% in 2010, 38% in 2011, 44% in 2012 and 50% in 2013 and thereafter.

Adopted in May 2010 and effective January 1, 2010, the following changes take effect: (1) employees with at least 10 years of service but less than 20 years of service as of December 31, 2010 - no prescription drug coverage will be provided post age 65 and contributions will be 50% of the adequate premium rate for themselves and their spouses, (2) employees with at least 7 years of service but less than 10 years of service as of December 31, 2010 - no prescription drug coverage will be provided post age 65 and contributions will be 50% of adequate premium rate for themselves and 75% of the adequate premium rate for their spouses, (3) employees hired prior to February 12, 2009 with less than 7 years of service as of December 31, 2010 - no prescription drug coverage will be provided post age 65 and the County contribution will be limited to the lesser of \$500 or the actual cost of coverage.

The following changes will apply to anyone hired after February 12, 2009: (1) no prescription drug coverage will be provided post age 65, (2) the County contribution will be limited to the lesser of \$300 per month or the actual cost of coverage, (3) if hired after December 31, 2010 no benefits will be provided post age 65.

Annual OPEB and Net OPEB Obligation – The components of the annual required contribution (ARC) and the net OPEB obligation are as follows for Community Care of Rutherford County, Inc.:

ARC	\$ 199,711
Interest on the NPO	39,340
Adjustment to the ARC	( 55,783 )
Annual OPEB cost	183,268

**NOTE 10 – POST-EMPLOYMENT BENEFITS (CONT.)**

Funded Status and Funding Progress – The funding status and the funding progress are as follows for the Nursing Home:

Actuarial valuation date	January 1, 2012
Actuarial accrued liability (AAL)	\$2,130,673
Actuarial value of plan assets	-0-
Unfunded actuarial accrued liability (UAAL)	\$2,130,673
Actuarial value of assets as a % of the AAL	0%
Covered payroll (active plan members)	\$4,601,067
UAAL as a % of covered payroll	46%

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future, and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future.

The schedule of funding progress presents multi-year information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial liability for benefits.

Actuarial Valuation Date	Actuarial Value of Plan Assets (a)	Actuarial Accrued Liability (AAL) (b)	Unfunded AAL (UAAL) (b) - (a)	Funded Ratio (a/b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b-a)/c)

Actuarial methods and Assumptions – The discount rate as of January 1, 2012 is 4%. The discount rate is determined by the plan sponsor based on the estimated long-term investment yield on the investments that are expected to be used to finance the payment of benefits. The County does not pre-fund the ARC, and therefore the discount rate is based on the expected return on the County’s general assets.

The trend rate for pre-Medicare health claims is 8.5% for 2012 grading down to 5.0% for 2023 and beyond. The trend rate for post-Medicare health claims is 7.0% for 2012 grading down to 5.0% for 2023 and beyond. The trend rate is determined by the plan sponsor based on historical data and anticipated experience under the plan.

Notes to Financial Statements (Cont.)

June 30, 2014

### **NOTE 10 – POST-EMPLOYMENT BENEFITS (CONT.)**

The method used to calculate normal cost and actuarial accrued liability is the projected unit credit cost method. Under this method, the present value of projected benefits is estimated at each decrement age, taking into account the value of future increases in medical claims and the effect of medical contributions and Medicare reimbursement. The total present value of projected benefits is the sum of the present values for each decrement age. The actuarial accrued liability is calculated by prorating the present value of projected benefits by service at the valuation date over service projected to the date of decrement. The normal cost is the present value of projected benefits attributable to the valuation year.

### **NOTE 11 – HEALTH CARE REGULATIONS**

The health care industry is subject to numerous laws and regulations of federal, state and local governments. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government health care program participation requirements, reimbursement for patient/resident services and Medicare and Medicaid fraud and abuse. Recently, government activity has increased with respect to investigations and allegations concerning possible violations of fraud and abuse statutes and regulations by health care providers. Violations of these laws and regulations could result in expulsion from government health care programs together with the imposition of significant fines and penalties, as well as repayments for patient/resident services previously billed. Management believes that the Nursing Home is in compliance with fraud and abuse statutes as well as other applicable government laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time.

### **NOTE 12 – SUBSEQUENT EVENTS**

The Nursing Home has evaluated subsequent events through October 8, 2014, the date the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

**INTERNAL CONTROL & COMPLIANCE SECTION**

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS***

Board of Directors  
Community Care of Rutherford County, Inc.  
Murfreesboro, Tennessee

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the of Community Care of Rutherford County, Inc. as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise Community Care of Rutherford County, Inc.'s basic financial statements, and have issued my report thereon dated October 8, 2014.

**Internal Control over Financial Reporting**

In planning and performing my audit of the financial statements, I considered Community Care of Rutherford County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Care of Rutherford County, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of Community Care of Rutherford County, Inc.'s internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that may not be identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Community Care of Rutherford County, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

This purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
