INDEPENDENT AUDITORS' REPORT

The Governing Body
Bradley Healthcare & Rehabilitation Center

Report on the Financial Statements

We have audited the accompanying financial statements of Bradley Healthcare & Rehabilitation Center, a component unit of Bradley County, Tennessee, as of and for the years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise Bradley Healthcare & Rehabilitation Center's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Bradley Healthcare & Rehabilitation Center's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bradley Healthcare & Rehabilitation Center as of June 30, 2015 and 2014, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis and budgetary comparison information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2015 on our consideration of Bradley Healthcare & Rehabilitation Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bradley Healthcare & Rehabilitation Center's internal control over financial reporting and compliance.

The accompanying notes are an integral part of these financial statements.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

June 30, 2015 and 2014

Note 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Bradley Healthcare & Rehabilitation Center (the “Nursing Center”) is a component unit of Bradley County, Tennessee. The Nursing Center’s Board of Trustees is appointed by the County Board of Commissioners. Capital projects are funded primarily from general obligation bonds of the County.

Nature of Operations

The Nursing Center is principally engaged in providing long-term medical and therapeutic care to elderly residents of Bradley County and the surrounding area.

Basis of Accounting

The Nursing Center uses the accrual basis of accounting. Revenues are recorded when earned and expenses are recognized when incurred using the economic resources measurement focus.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Internal Revenue Service has ruled that the Nursing Center, as a component unit of Bradley County, is an exempt organization as described in Section 501(a) of the Internal Revenue Code; therefore, no provision for income taxes is provided in the financial statements.

Patient Service Revenue

Patient service revenue is reported at the Nursing Center’s estimated net realizable amounts from residents, third-party payors, and others for services rendered.

Retroactively calculated contractual adjustments arising under reimbursement agreements with third-party payors are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods, as final settlements are determined.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

Note 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash Equivalents

For purposes of the statements of cash flows, the Nursing Center considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents. Limited use assets include cash held for patients which are not considered cash equivalents for purposes of the statements of cash flows as they are not the property of the Nursing Center and can only be used at the direction of the patient. The Nursing Center also holds limited use assets that are restricted by donors for specific purposes until the specifications are met. These items are not considered cash equivalents until they are transferred to unrestricted net position.

Inventories

Inventories are stated at the lower of cost (first-in, first-out) or market.

Property and Equipment

Property and equipment are recorded at cost. Depreciation is provided over the estimated useful lives of the depreciable assets, ranging from 4 to 50 years, using the straight-line method.

Compensated Absences

Accumulated paid time off is accrued when earned.

Net Position

Net position of the Nursing Center is classified in four components. Net position invested in capital assets consists of property and equipment net of accumulated depreciation and reduced by any outstanding borrowings used to finance the purchase or construction of those assets. There was no outstanding debt for property and equipment. Expendable restricted net position is subject to donor-imposed restrictions that may or will be met, whether by action of the Nursing Center or the passage of time. When a restriction expires, expendable restricted net position for which the restricted purpose is related to the Nursing Center is reclassified to unrestricted net position and reported in the statement of revenues, expenses and change in net position as net position released from restrictions. Nonexpendable restricted net position is subject to donor-imposed stipulations that are required to be maintained permanently by the Nursing Center. Generally, the donors of nonexpendable restricted net position permit the Nursing Center to use all or part of the income earned on any related investment for general or specific purposes. Unrestricted net position is the remaining net position that does not meet the definition of net position invested in capital assets or restricted net position.

Operating and Non-Operating Revenues

The Nursing Center defines operating revenue as any revenue derived from the provision of services to patients or ancillary thereto. Any revenue earned that is not related to the provision of patient care services is considered non-operating.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

Note 2 CUSTODIAL CREDIT RISK

Custodial credit risk is the risk that in the event of a bank failure, the Nursing Center's deposits may not be returned to it. The Nursing Center's deposits are made to a local bank that participates in the Tennessee Bank Collateral Pool (the "Pool"), a multi-entity risk pool that assumes the burden of collateralizing public funds on deposit with local banks. The Treasury Department of the State of Tennessee administers the Pool. The Treasury Department, using uniform procedures, centralizes the collateralization of public funds. The funds in the Pool are collateralized at 105% of the face amount of the deposits uninsured by the Federal Deposit Insurance Corporation (the "FDIC"). All deposits are either insured by the FDIC or through the Pool resulting in no custodial credit risk.

Note 3 INVENTORIES

Inventories consisted of the following at June 30:

	<u>2015</u>	<u>2014</u>
General stores	\$ 25,632	\$ 26,588
Foods and dietary	11,593	11,737
Enteral feeding supplies	<u>1,191</u>	<u>821</u>
	<u>\$ 38,416</u>	<u>\$ 39,146</u>

Note 4 ASSETS WHOSE USE IS LIMITED

Assets whose use is limited are as follows at June 30:

	<u>2015</u>	<u>2014</u>
Patient trust funds	\$ 65,838	\$ 53,411
Scholarship fund	13,605	13,591
Activities fund	29,080	1,876
Chapel fund	1,485	1,484
Country store fund	4,141	4,849
Citizens' Endowment Fund	<u>330,124</u>	<u>113,463</u>
	<u>\$ 444,273</u>	<u>\$ 188,674</u>

These assets represent cash and certificates of deposit with a local financial institution. The patient trust funds are patients' personal assets and are reflected in the financial statements as both an asset and a liability. The Scholarship, Activities, Chapel, Country Store, and Citizens' Endowment funds represent restricted cash and are shown on the balance sheet as both limited use assets and restricted net position.

BRADLEY HEALTHCARE & REHABILITATION CENTER

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

Note 6 NONEXPENDABLE RESTRICTED NET POSITION

Assets whose use is permanently restricted are as follows at June 30:

	<u>2015</u>	<u>2014</u>
Scholarship fund	\$ 12,000	\$ 12,000
Citizens' Endowment Fund	<u>325,000</u>	<u>110,000</u>
	<u>\$ 337,000</u>	<u>\$ 122,000</u>

Citizens' Endowment Fund

On December 27, 2005, the trustees of the Nursing Center took over control of the Bradley Memorial Hospital Citizens' Endowment Fund (the "Fund"). The Fund was originally established at the bequest of a private citizen to provide a source of income for the Bradley Memorial Hospital (the "Hospital"). On October 14, 2005, the Hospital was sold to a private entity and in accordance with the terms of the Hospital's Declaration of Trust, the assets of the Fund were required to be transferred to another county-owned entity. The trustees of the Nursing Center took over management of the Fund by executing a separate Declaration of Trust dated December 27, 2005. Should the Nursing Center be sold to a private entity, these funds are to be transferred to the Cleveland Public Library.

Donations may be made to the Fund and be designated as restricted or unrestricted. No part of the original principal of the Fund shall be expended; it should be invested and reinvested by the Nursing Center's trustees at a financial institution in Bradley County, Tennessee, and be fully insured by a federal agency. All income of the Fund must be used for exempt purposes under federal tax laws and regulations applicable to the Fund.

Scholarship Fund

The Scholarship Fund was established by a former medical director of the Nursing Center as a memorial to his sister. The corpus of the fund is to be held in a certificate of deposit with the earnings to be used to fund scholarships for Nursing Center employees who desire to pursue a career in nursing. The fund is administered by the trustees through the Nursing Center's management.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

Note 7 NET PATIENT SERVICE REVENUE

Medicare

The Nursing Center is paid for Medicare patients under a prospective payment system that bases payment on categories that are indicative of the amount of resources used to treat the specific patient. The category is determined based on periodic clinical assessments of the patient's functional ability.

TennCare

Services rendered to TennCare recipients are reimbursed at per day rates determined by the Tennessee Comptroller's office. The rates are subject to ceilings for both skilled and intermediate care. The per diem rate is established prospectively, based on the prior year's cost report.

A summary of gross and net patient revenues for the years ended June 30, 2015 and 2014, follows:

	<u>2015</u>	<u>2014</u>
Medicare	\$ 3,921,049	\$ 2,656,065
TennCare	7,751,386	7,961,213
Other	<u>1,377,599</u>	<u>1,277,306</u>
Gross patient service revenues	13,050,034	11,894,584
Contractual adjustments and uncollectible accounts	<u>(823,199)</u>	<u>(259,499)</u>
Net patient service revenue	<u>\$ 12,226,835</u>	<u>\$ 11,635,085</u>

Note 8 ACCRUED LEAVE

The Nursing Center has an all-purpose paid time off ("PTO") policy. Employees who work 30 hours or more per week are eligible to earn and use PTO. PTO is accrued using a formula based on length of employment at the Nursing Center. Accrued but unpaid PTO benefits at June 30, 2015 and 2014, were \$271,290 and \$297,979, respectively, and are included in accrued payroll as a current liability.

Note 9 PENSION PLAN

The Nursing Center sponsors a 403(b) salary deferral plan for the benefit of its employees. Under the plan, employees are allowed to defer a portion of their earnings up to certain maximum amounts. The Nursing Center matches the employee contributions at the amount deferred up to 4%. The employer match totaled \$88,399 and \$88,979 for the years ended June 30, 2015 and 2014, respectively. There was no unpaid liability at June 30, 2015 and 2014.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

Note 10 COMMITMENTS AND CONTINGENCIES

The Nursing Center is insured for professional liability under a claims-made policy with an independent insurance carrier. The policy covers all claims reported to the carrier for incidents that occur during the coverage period. The coverage period coincides with the Nursing Center's fiscal year. Coverage was renewed under a binder of coverage at June 30, 2015, rendering the need for tail coverage unnecessary. Premiums are determined by a variety of factors related to the Nursing Center.

Leases that do not meet the criteria for capitalization are classified as operating leases with the related rentals charged to operations as incurred.

The following is a schedule by year of future minimum lease payments under operating leases as of June 30, 2015, which have initial or remaining terms of one year or more.

<u>Year Ending June 30</u>	<u>Minimum Lease Payments</u>
2016	\$ 29,320
2017	\$ 26,876

Total rental expense for all operating leases was \$22,190 and \$29,338 for 2015 and 2014, respectively, and is included in the general services expense classification.

Note 11 RISK FINANCING AND RELATED INSURANCE ISSUES

The Nursing Center is subject to the risks of torts by its employees; theft, destruction or damage to its fixed assets; business interruptions; errors or omissions; injury or illness of employees while in the course of their employment and acts of God, such as fires, floods and earthquakes. The Nursing Center insures itself against losses due to these exposures through the purchase of commercial liability and workers' compensation insurance from reputable insurers. There have been no substantial losses incurred in prior years, and the amount of coverage purchased has not been reduced. Management is unaware of any potential claims that would result in reductions to or cancellation of coverage by the insurer.

Note 12 SUBSEQUENT EVENTS

As required by FASB ASC 850-10 "*Subsequent Events*," subsequent events for the Nursing Center have been evaluated through the financial statement date of issuance.

BRADLEY HEALTHCARE & REHABILITATION CENTER

Notes to the Financial Statements

(Continued)

NOTE 12 SUBSEQUENT EVENTS (CONTINUED)

Subsequent to the date of the balance sheet the Nursing Center received a visit from the survey team from the State of Tennessee. The results of that survey are currently unknown and could have a financial impact if deficiencies are noted. The ultimate outcome of this contingency is uncertain and a reasonable estimate of the impact, if any, is not determinable.

Internal Control and Compliance Section

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditors' Report

The Governing Body
Bradley Healthcare & Rehabilitation Center

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Bradley Healthcare & Rehabilitation Center as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise Bradley Healthcare & Rehabilitation Center's basic financial statements, and have issued our report thereon dated September 15, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bradley Healthcare & Rehabilitation Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bradley Healthcare & Rehabilitation Center's internal control. Accordingly, we do not express an opinion on the effectiveness of Bradley Healthcare & Rehabilitation Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* (CONTINUED)

internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify a deficiency in internal control, described in the following paragraph that we consider to be a significant deficiency.

The Nursing Center lacks a complete segregation of duties. In an entity of this size, the complete segregation of duties is often an unreasonable and unattainable goal. Management has separated as many of the incompatible functions as possible to mitigate this lack of full segregation. We agree that management cannot attain a complete segregation of duties without substantial and unjustified expenditures of resources that do not substantially improve financial reporting for the entity.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bradley Healthcare & Rehabilitation Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
