Independent Auditor's Report

Board of Directors
Jefferson County E-911
Jefferson City, Tennessee

Report on the Financial Statements

We have audited the accompanying statement of net position of Jefferson County E-911 (the District), a component unit of Jefferson County, Tennessee, as of June 30, 2015, and the related statements of revenues, expenses and change in net position and cash flows for the year ended June 30, 2015 and the related notes to the financial statements, which collectively comprise Jefferson County E-911's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unmodified Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Jefferson County E-911, as of June 30, 2015, and the respective changes in financial position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As described in Note 7, the District has adopted the provisions of Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*; and GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. Our opinion is not modified with respect to these matters.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the District's (a component unit of Jefferson County, Tennessee) enterprise fund and do not purport to, and do not, present fairly the financial position of the Jefferson County, Tennessee, as of June 30, 2015, the changes in its financial position or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

We draw attention to Note 7 to the financial statements, which describes a restatement to decrease the beginning net position by \$61,291 as shown on the Statement of Revenues, Expenses and Change in Net Position. This restatement was necessary because of the transitional requirements of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*; and GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. Our opinion is not modified with respect to these matters.

Other Matters***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 – 7 and the required supplementary information on pages 21 – 22 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

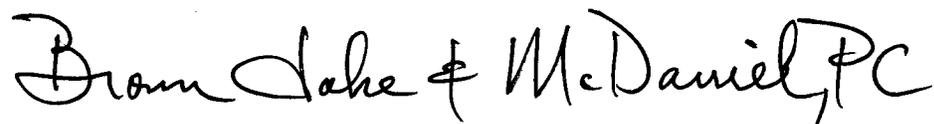

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Jefferson County E-911's basic financial statements. The other supplementary information and the introductory section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information is the responsibility of management and is derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 4, 2015 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
FISCAL YEAR 2015

The financial statements of Jefferson County E-911 (the District) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The financial statements of the District report information using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about their activities.

The Statement of Net Position includes all of the District's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to creditors (liabilities). It also provides the basis for evaluating the capital structure of the District and assessing the liquidity and financial flexibility of the District.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses and Change in Net Position. The statement measures the success of the District's operations over the past year and can be used to determine whether the District has successfully recovered all its costs through its fees, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balances during the reporting period.

Table 1

Condensed Statement of Net Position

	June 30, 2015	June 30, 2014	Increase (Decrease)	%
Current assets	\$ 789,103	\$ 697,923	\$ 91,180	13.06%
Capital assets	<u>324,597</u>	<u>348,334</u>	<u>(23,737)</u>	-6.81%
Total assets	<u>\$ 1,113,700</u>	<u>\$ 1,046,257</u>	<u>\$ 67,443</u>	6.45%

Current liabilities	\$ 16,960	\$ 24,312	\$ (7,352)	-30.24%
Noncurrent liabilities	<u>36,890</u>	<u>-</u>	<u>36,890</u>	100.00%
Total liabilities	<u>\$ 53,850</u>	<u>\$ 24,312</u>	<u>\$ 29,538</u>	121.50%
Deferred inflows of resources	<u>\$ 36,652</u>	<u>\$ -</u>	<u>\$ 36,652</u>	100.00%
Investment in capital assets	\$ 324,597	\$ 348,334	\$ (23,737)	-6.81%
Unrestricted	<u>729,235</u>	<u>673,611</u>	<u>55,624</u>	8.26%
Total net position	<u>\$ 1,053,832</u>	<u>\$ 1,021,945</u>	<u>\$ 31,887</u>	3.12%

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Continued)

One way to measure financial health of a company is to look at its increases or decreases in net position over time. Increases in net position, in general, are signs that a company's financial health is improving. Decreases may indicate that its financial health is deteriorating. However, you will need to also consider non-financial factors such as economic conditions, service growth and legislative mandates.

Jefferson County E-911's total net position increased \$31,887 from last year.

Table 2

Statement of Revenues, Expenses, and Change in Net Position

	June 30, 2015	June 30, 2014	Increase (Decrease)	%
Operating revenue	\$ 556,572	\$ 491,916	\$ 64,656	13.14%
Non-operating revenue	481,325	564,423	(83,098)	-14.72%
Total revenues	1,037,897	1,056,339	(18,442)	-1.75%
Direct operating expenses	573,987	575,395	(1,408)	-0.24%
General and administrative expenses	336,764	360,195	(23,431)	-6.51%
Depreciation expense	75,811	53,838	21,973	40.81%
Total expenses	986,562	989,428	(2,866)	-0.29%
Income before capital grants	51,335	66,911	(15,576)	-23.28%
Capital grants	41,843	151,542	(109,699)	-72.39%
Change in net position	93,178	218,453	(125,275)	-57.35%
Beginning net position, as previously stated	1,021,945	803,492	218,453	27.19%
Cumulative effect of change in accounting principle	(61,291)	-	(61,291)	-100.00%
Beginning net position, as restated	960,654	803,492	157,162	19.56%
Ending net position	\$ 1,053,832	\$ 1,021,945	\$ 31,887	3.12%

As can be seen in Table 2, the change in net position (formerly known as "net income (loss)") decreased from the prior year by \$125,275. This decrease was caused by an increase in operating revenues, a small decrease in expenses and recognition of a prior period adjustment of \$61,291 for the adoption of GASB 68 for employer pension accounting. Also, capital grants from the Tennessee Emergency Communications Board (TECB) decreased significantly into 2015 when compared to 2014.

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Continued)

Table 3

Capital Assets, Net of Accumulated Depreciation

	<u>June 30, 2015</u>	<u>June 30, 2014</u>	Increase (Decrease)
Capital assets, net	\$ 324,597	\$ 348,334	\$ (23,737)

This year's capital additions include:

Office equipment	\$	4,758
Communication equipment		7,409
Software		<u>39,907</u>
 Total additions		 <u>\$ 52,074</u>

At June 30, 2015, the District had no outstanding long-term debt.

There were no significant variations from fiscal year 2015 budgeted operational expenditures and fiscal year 2015 actual operational expenditures.

This financial report is designed to provide the public and creditors with an overview of the finances of the District and to demonstrate accountability for the money received. If there are questions, comments, or requests for additional information pertaining to this report, please contact:

Decrease in prepaid expenses	45
Increase in deferred outflows	(2,051)
Decrease in net pension liability	(52,984)
Increase in deferred inflows	36,652
Decrease in other current liabilities	<u>(7,352)</u>
Net cash used by operating activities	<u>\$ (311,076)</u>

The accompanying notes are an integral part of these financial statements.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS

June 30, 2015

1. Summary of Significant Accounting PoliciesGeneral Statement

Jefferson County E-911 (the District) is a 911 service which receives telephone requests for emergency services and provides for the dispatch of appropriate emergency service units. Jefferson County E-911 is a component unit of another governmental entity. Jefferson County, Tennessee is the primary government in whose financial reporting entity Jefferson County E-911 is included. The District receives a significant portion of its income from the tax revenues of Jefferson County. Also, Jefferson County's legislative body approves board members, debt issues, telephone surcharge rate changes and annual budgets of Jefferson County E-911.

The criteria for including organizations as component units within a County's reporting entity, as set forth in Section 2100 of GASB's *Codification of Governmental Accounting and Financial Reporting Standards*, include whether:

- the organization is legally separate (can sue and be sued in their own name)
- the County appoints a voting majority of the organization's board
- the County is able to impose its will on the organization
- the organization has the potential to impose a financial benefit/burden on the County
- there is a fiscal dependency by the organization on the County

Basis of Presentation

The financial statements of the District have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The District applies all Governmental Accounting Standards Board (GASB) pronouncements. The more significant accounting policies of the District are described below.

The entity is a proprietary fund type known as an Enterprise Fund. The Enterprise Fund is used to account for operations that are financed and operated in a manner similar to private business enterprises where the costs are financed through user charges.

Proprietary funds are accounted for on a "flow of economic resources" measurement focus. With this measurement focus, all assets and liabilities associated with the operation of these funds are included on the Statement of Net Position. Proprietary fund type operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net assets.

Methods of Accounting

The full accrual basis of accounting is utilized by proprietary fund types. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of related cash flows.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)1. Summary of Significant Accounting Policies (Continued)Net Position

The District follows the provisions of GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. It requires the classification of net position into three components – 1) net investment in capital assets, 2) restricted for debt service, and 3) unrestricted.

Cash and Cash Equivalents

For purposes of these financial statements, the District considers all highly liquid investments having original maturity dates of three months or less to be cash equivalents.

Budgetary Principles

Prior to the beginning of the fiscal year, the Board of Directors adopts an annual budget. All revisions must be approved by the Board. All annual appropriations lapse at fiscal year end. Budgetary control is at the line item level.

The District prepares its budget on a basis of accounting that differs from accounting principles generally accepted in the United States of America (GAAP). The major difference between the budgetary basis of accounting and GAAP is that encumbrances are recorded as the equivalent of expenditures (budget) as opposed to a reservation of fund balance (GAAP). At June 30, 2015, the District had no encumbrances.

Capital Assets

Capital assets owned by the District are recorded at cost, or if contributed property, at their fair market value at the time of contribution. Repairs and maintenance are recorded as expenses; renewals and betterments are capitalized. Depreciation has been calculated on each class of depreciable property using the straight-line method.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Operating and Non-Operating Revenues and Expenses

Operating income reported in proprietary fund financial statements includes revenues and expenses related to the primary continuing operations of the fund. Principal operating revenues for proprietary funds are charges to customers for sales or services. Principal operating expenses are the costs of providing goods or services and include administrative expenses and depreciation of capital assets. Other revenues and expenses are classified as non-operating in the financial statements.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)1. Summary of Significant Accounting Policies (Continued)Restricted and Unrestricted Resources

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net pension of Jefferson County Emergency Communications District's participation in the Public Employee Retirement Plan of the Tennessee Consolidated Retirement Systems (TCRS), and additions to/deductions from Jefferson County Emergency Communication District's fiduciary net position have been determined on the same basis as they are reported by the TCRS for the Public Employee Retirement Plan. For this purpose, benefits (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms of the Public Employee Retirement Plan of TCRS. Investments are reported at fair value.

Evaluation of Subsequent Events

Management has evaluated subsequent events through November 4, 2015, which is the date the financial statements were available to be issued.

2. Cash and Cash Equivalents

Cash consisted of the following at June 30, 2015:

Cash in bank	<u>\$773,969</u>
--------------	------------------

At June 30, 2015, all of the District's deposits were either insured by federal depository insurance or guaranteed by bank participation in the Tennessee Bank Collateral Pool. Investment policies of the District follow state law and bond requirements prohibiting investments that are not secured or insured by the U.S. Government.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)3. Capital Assets

Capital asset activity for the fiscal year ended June 30, 2015 was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance	Depreciation Rates
Capital assets, being depreciated:					
Office equipment and furniture	\$ 8,064	\$ 4,758	\$ -	\$ 12,822	14.3 - 33.3%
Operating equipment	207,985	-	-	207,985	14.3 - 20.0%
Communication equipment	366,538	7,409	(7,105)	366,842	14.3 - 20.0%
Software	63,302	39,907	-	103,209	14.3 - 20.0%
Vehicle	47,797	-	-	47,797	20.0%
Total capital assets, being depreciated	693,686	52,074	(7,105)	738,655	
Less accumulated depreciation for:					
Office equipment and furniture	(6,374)	(2,623)	-	(8,997)	
Operating equipment	(192,975)	(4,615)	-	(197,590)	
Communication equipment	(104,868)	(48,647)	7,105	(146,410)	
Software	(8,349)	(14,922)	-	(23,271)	
Vehicle	(32,786)	(5,004)	-	(37,790)	
Total accumulated depreciation	(345,352)	(75,811)	7,105	(414,058)	
Total capital assets, being depreciated, net	348,334	(23,737)	-	324,597	
Total net capital assets, excluding plant acquisition adjustments	\$ 348,334	\$ (23,737)	\$ -	\$ 324,597	

Depreciation charged to expense totaled \$75,811 for the year ended June 30, 2015.

4. Compensated Absences

The vacation year is a calendar year beginning January 1 and ending December 31. Regular full-time employees accrue one day of vacation per month. After five years of service, employees accrue one and one-half days of vacation per month. Employees on vacation are paid at the regular rate of pay during such leave. Employees may accrue annual vacation leave up to a maximum of the days earned for the prior service year. Unpaid vacation leave totaled \$16,960 for the year ended June 30, 2015.

Sick leave is earned by regular full-time employees at the rate of one day per month. Employees may accumulate sick leave without a maximum. Accumulated sick leave does not vest for payment at termination, however; if the employee retires such accumulated sick leave counts as time of service under the District's participation in the TCRS Pension Plan.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan**General Information about the Plan****Plan Description**

Employees of Jefferson County Emergency Communications District are provided a defined benefit pension plan through the Public Employee Retirement Plan, an agent multiple-employer pension plan administered by TCRS. The TCRS was created by state statute under Tennessee Code Annotated Title 8, Chapters 34-37. The TCRS Board of Trustees is responsible for the proper operation and administration of the TCRS. The Tennessee Treasury Department, an agency in the legislative branch of state government, administers the plans of the TCRS. The TCRS issues a publically available financial report that can be obtained at www.treasury.tn.gov/tcrs.

Benefits Provided

Tennessee Code Annotated Title 8, Chapters 34-37 establishes the benefit terms and can be amended only by the Tennessee General Assembly. The chief legislative body may adopt the benefit terms permitted by statute. Members are eligible to retire with an unreduced benefit at age 60 with 5 years of service credit or after 30 years of service credit regardless of age. Benefits are determined by a formula using the member's highest five consecutive year average compensation and the member's years of service credit. Reduced benefits for early retirement are available at age 55 and vested. Members vest with five years of service credit. Service related disability benefits are provided regardless of length of service. Five years of service is required for non-service related disability eligibility. The service related and non-service related disability benefits are determined in the same manner as a service retirement benefit but are reduced 10 percent and include projected service credits. A variety of death benefits are available under various eligibility criteria.

Member and beneficiary annuitants are entitled to automatic cost of living adjustments (COLAs) after retirement. A COLA is granted each July for annuitants retired prior to the 2nd of July of the previous year. The COLA is based on the change in the consumer price index (CPI) during the prior calendar year, capped at 3 percent, and applied to the current benefit. No COLA is granted if the change in the CPI is less than one-half percent. A one percent COLA is granted if the CPI change is between one-half percent and one percent. A member who leaves employment may withdraw their employee contributions, plus any accumulated interest.

Employees Covered by Benefit Terms. At the measurement date of June 30, 2014, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	2
Inactive employees entitled to but not yet receiving benefits	20
Active employees	16
	<u>38</u>

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan (Continued)**Contributions**

Contributions for employees are established in the statutes governing the TCRS and may only be changed by the Tennessee General Assembly. Employees contribute 5 percent of salary. Jefferson County Emergency Communications District makes employer contributions at the rate set by the Board of Trustees as determined by an actuarial valuation. For the year ended June 30, 2015, employer contributions for Jefferson County Emergency Communications District were \$30,634 based on a rate of 5.67 percent of covered payroll. By law, employer contributions are required to be paid. The TCRS may intercept Jefferson County Emergency Communications District's state shared taxes if required employer contributions are not remitted. The employer's actuarially determined contribution (ADC) and member contributions are expected to finance the costs of benefits earned by members during the year, the cost of administration, as well as an amortized portion of any unfunded liability.

Net Pension Liability (Asset)

Jefferson County Emergency Communications District's net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate net pension liability was determined by an actuarial valuation as of that date.

Actuarial Assumptions

The total pension liability as of June 30, 2014 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.0 percent
Salary increases	Graded salary ranges from 8.97 to 3.71 percent based on age, including inflation, averaging 4.25 percent
Investment rate of return	7.5 percent, net of pension plan investments expenses, including inflation
Cost-of-Living Adjustment	2.5 percent

Mortality rates were based on actual experience from the June 30, 2012 actuarial experience study adjusted for some of the expected future improvement in life expectancy.

The actuarial assumptions used in the June 30, 2014 actuarial valuation were based on the results of an actuarial experience study performed for the period July 1, 2008 through June 30, 2012. The demographic assumptions were adjusted to more closely reflect actual and expected future experience.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan (Continued)**Actuarial Assumptions** (Continued)

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees in conjunction with the June 30, 2012 actuarial experience study by considering the following three techniques: (1) the 25-year historical return of the TCRS at June 30, 2012, (2) the historical market returns of asset classes from 1926 to 2012 using the TCRS investment policy asset allocation, and (3) capital market projections that were utilized as a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. Four sources of capital market projections were blended and utilized in the third technique. The blended capital market projection established the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding inflation of 3 percent. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

Asset Class	Long-Term Expected Real Rate of Return	Target Allocation
U.S. equity	6.46%	33%
Developed market international equity	6.26%	17%
Emerging market international equity	6.40%	5%
Private equity and strategic lending	4.61%	8%
U.S. fixed income	0.98%	29%
Real estate	4.73%	7%
Short-term securities	0.00%	1%
		100%

The long-term expected rate of return on pension plan investments was established by the TCRS Board of Trustees as 7.5 percent based on a blending of the three factors described above.

Discount Rate

The discount rate used to measure the total pension liability was 7.5 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current rate and that contributions from Jefferson County Emergency Communications District will be made at the actuarially determined contribution rate pursuant to an actuarial valuation in accordance with the funding policy of the TCRS Board of Trustees and as required to be paid by state statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make projected future benefit payments of current active and inactive members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan (Continued)**Changes in Net Pension Liability (Asset)**

	Total Pension Liability (a)	Increase(Decrease) Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a)-(b)

Balance at 6/30/14	<u>\$ 626,090</u>	<u>\$ 589,200</u>	<u>\$ 36,890</u>

Sensitivity of the Net Pension Liability (Asset) to Changes in the Discount Rate

The following presents the net pension liability (asset) of Jefferson County Emergency Communications District calculated using the discount rate of 7.5 percent, as well as what the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5 percent) than the current rate:

	1% Decrease 6.50%	Current Discount Rate 7.50%	1% Increase 8.50%
Jefferson County Emergency Communications District's Net Pension Liability (Asset)	\$ 153,235	\$ 36,890	\$ (54,840)

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan (Continued)***Pension Expense (Income) and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions******Pension Expense***

For the year ended June 30, 2015, Jefferson County Emergency Communications District recognized pension expense of \$12,251.

Deferred Outflows of Resources and Deferred Inflows of Resources

For the year ended June 30, 2015, Jefferson County Emergency Communications District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 693
Net difference between projected and actual earnings on pension plan investments	-	35,959
Contributions subsequent to the measurement date of June 30, 2014	30,634	N/A
	<u>\$ 30,634</u>	<u>\$ 36,652</u>

The amount shown above for "Contributions subsequent to the measurement date of June 30, 2014," will be recognized as a reduction (increase) to net pension liability (asset) in the following measurement period.

Amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30:

2016	\$ (9,077)
2017	(9,077)
2018	(9,077)
2019	(9,077)
2020	(87)
Thereafter	(261)

In the table shown above, positive amounts will increase pension expense while negative amounts will decrease pension expense.

JEFFERSON COUNTY E-911

Jefferson City, Tennessee

NOTES TO BASIC FINANCIAL STATEMENTS
(Continued)5. Retirement Plan (Continued)***Payable to the Pension Plan***

At June 30, 2015, *Jefferson County Emergency Communications District* reported a payable of \$ - 0 - for the outstanding amount of contributions to the pension plan required at the year ended June 30, 2015.

6. Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District purchases commercial insurance for all of these risks of loss. There have been no claims in the prior three years.

7. Cumulative Effect of Change in Accounting Principle

The District restated its beginning net position by reporting a cumulative effect of change in accounting principle as of July 1, 2014 to record the net pension liability of \$89,874 and reduce net position by \$89,874 and to record employer contributions made during the year ended June 30, 2014 of \$28,583 and increase net position by \$28,583 in accordance with GASB 68 and GASB 71. The cumulative effect in this change in accounting principle totaled \$61,291.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Jefferson County E-911
Jefferson City, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Jefferson County E-911 (the District), a component unit of Jefferson County, Tennessee, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 4, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management of employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the

determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Brandal & McDaniel, PC". The signature is written in a cursive, flowing style.
