Memorandum

To: Assessor of Property/County Trustee

From: Kelsie Jones, Executive Secretary  
State Board of Equalization

Subject: **Exemption workshop**

Did you know that government owned property leased to a golf course operator is exempt from property taxes, but the operator must make PILOT payments equal to what the tax would be if the operator was the owner? These and other fascinating issues will be the subject of half day workshops the Board staff will present in February in Murfreesboro, and in Jackson and Knoxville in March (see below). Use the form below to reserve a place for you or your staff who could benefit from this training. The workshops will be held from 9:00 a.m. to 12:00 p.m.

***Please RSVP (at least three days in advance if possible) by email or return a marked copy of this memo to the above address. Continuing education credit will be available.***
