RE: 2016 Annual Ad Valorem Assessment of Public Utility Property
in the State of Tennessee

In conformity with law, the Tennessee State Board of Equalization has examined and reviewed the 2016 Ad Valorem Assessments certified to the Board by the Comptroller of the Treasury Office of State Assessed Properties on September 2, 2016.

Based on this review, the following Ad Valorem Assessments are hereby certified by the Tennessee State Board of Equalization to the Comptroller of the Treasury Office of State Assessed Properties as the final assessments for tax year 2016, and said assessments are to be distributed to the respective local taxing jurisdictions in accordance with the distribution procedures provided by law. The Board has not completed its review of assessments for the following:

Pipeline Companies

1. Colonial Pipeline Company

Hearings or further disposition of these assessments will occur at a later date, and a supplemental certification will be issued thereafter. Please distribute these assessments as originally certified (less equalization) and note that the assessments are under appeal.

As provided in our orders issued previously regarding these assessments, the final assessments hereinafter set out, for companies who filed ad valorem reports with the Office of State Assessed Properties, shall be equalized as follows:

1. You are directed to reduce the portion of these nonforced assessments attributable to tangible personal property, by a factor of fifteen percent (15%);
2. You are directed to equalize nonforced assessments (real and personal) by application of the approved appraisal ratios for 2016 (see below), *but not to exceed a factor of 1.0000*.

IN THE MATTER OF:)
)
VARIOUS PUBLIC UTILITY ASSESSMENTS) Review of 2016 Ad Valorem
(See attached exhibit)) Assessments of the Tennessee
) Comptroller of Treasury, Office
) of State Assessed Properties
)

FINAL DECISION AND ORDER

These matters came to be heard on the recommendation of the assessment staff of the Tennessee Office of State Assessed Properties presented to the Board in open hearing on October 3, 2016, that various public utility assessments should be changed in the manner stated in Exhibit A to this order.

An asterisk denotes companies which were arbitrarily assessed for the year 2016. The basis of the staff recommendation is noted in parenthesis. "Late report" refers to modification of an arbitrary assessment based on later information submitted by the taxpayer.

Based on these recommendations, and said changes appearing otherwise proper, it is ORDERED, that the 2016 *ad valorem* assessments of the listed companies be modified in accordance with the staff recommendations, subject to equalization in accordance with the final certification of all assessments for 2016.

Pursuant to the Uniform Administrative Procedures Act, Tenn. Code Ann. §§ 4-5-301--323, the parties are advised of the following additional remedies which may be available by petition filed within the indicated time after entry of this order: a) stay of effectiveness (file within 7 days); b) reconsideration (file within 15 days); c) judicial review (file in Court of Appeals, Middle Section, within 60 days).

ENTERED this 5th day of October, 2016.
