- (7) "Leased tangible personal property" shall mean tangible personal property leased or rented within the meaning of Tenn. Code Ann. Section 67-4-701 et seq., except that property a consumer of services must obtain from the service provider or an affiliate, shall be considered property of the service provider whether or not it is leased or rented.

~~Rule 0600-5-.01 Definitions is further amended by adding the following sentence at the end of item (14): "Tangible personal property includes computer software."~~

Rule 0600-5-.01 Definitions is further amended by appropriately renumbering the remaining items, so that the rule as amended reads as follows:

- (8) "Personal property", as defined by T.C.A. §67-5-501(7), includes every species and character of property which is not classified as real property.
- (9) "Raw material" shall be defined as items of tangible personal property, crude or processed, which are held or maintained by a manufacturer for use through refining, combining, or any other process in the production or fabrication of another item or product.
- (10) "Regular assessment" shall be defined as an assessment made on personal property when the taxpayer has filed a personal property schedule with the assessor for the current year and the assessment is based on the information reported by the taxpayer.

Percent good factors, also termed depreciation factors, derived from these yearly depreciation percentages shall be rounded to the nearest whole percent.
- (14) "Supplies" shall be defined as expendable items of tangible personal property which are used or held for use in support of a business activity, including but not limited to office supply stocks, stocks of spare parts for maintenance of machinery and equipment, accessories used in manufacturing processes, printing supplies, and cleaning and maintenance supplies.

Rule 0600-5-.06 Standard Valuation is amended by adding the following sentence at the end of subsection (5): "The assessor shall not fix or increase a forced assessment by use of an arbitrary percentage."

~~Rule 0600-5-.07 Nonstandard Valuation is amended by adding the following at the end of subsection (1):~~

~~The current owner of used tangible personal property may claim cost to the current owner as the cost to be depreciated under the standard useful lives otherwise provided by law, and the current owner's year of acquisition will be the vintage year for purposes of depreciation. In such cases the current owner must provide proof that the price or~~

~~allocated price claimed as the current owner's cost, reasonably approximates the current value of the used tangible personal property.~~

~~so that item (1) as amended reads as follows~~

~~[retype with above addition]~~

Rule 0600-5-.09 Miscellaneous is amended by changing the title to "Classification and situs" and by substituting the following for the first sentence of subsection (1) (c):

The intent of the owner and, where appropriate, the intent of other parties to a transaction involving the owner. Intent shall be determined objectively, considering business custom and usage as well as the stated intent of the owner or parties.

so that the subsection as amended reads as follows:

- (c) The intent of the owner and, where appropriate, the intent of other parties to a transaction involving the owner. Intent shall be determined objectively, considering business custom and usage as well as the stated intent of the owner or parties. This element will come into focus most frequently where leased premises are involved, although it must occasionally be considered where premises are owner-occupied. If the intent of the owner is to move the item upon relocation of the business, the item is more likely to be considered personal property, provided that such a move would be probable, practical, and cost-effective.

~~Rule 0600-5-.09 is further amended by adding the following new item:~~

- ~~(d) The following property shall be presumed to be tangible personal property in the absence of proof to the contrary: i) above ground tanks less than five hundred thousand (500,000) gallon capacity; and ii) billboards not embedded in the ground with concrete and steel.~~

Rule 0600-5-.11 Reporting Schedule is amended by deleting the schedule appearing in the current rule and substituting the schedule attached to this notice.

Authority: Tenn. Code Ann. §67-1-305.

I certify that this is an accurate and complete representation of the intent and scope of rulemaking proposed by the State Board of Equalization.
