Cash to Expenditures Trend

As a best practice, counties should have cash reserves sufficient to cover at least two months or 60 days of average expenditures without using additional financing resources. Without adequate reserves, a county could expose itself to greater fiscal distress risk.

Debt Relative to Assessed Value Metric | FY 2022

General Government Debt:

Target: Below 8%
Average County: 3%

As a best practice, counties should set debt limits or acceptable ranges. High debt service obligations can reduce financial flexibility and crowd out other potential expenditures. One recommendation is keeping the total outstanding debt below 8% of property assessed value.
